IOS TIMES

wishes all of you, a very Happy New Year

HAPPY NEW YEAR
CELEBRATION

President's Message

Dear Esteemed Members of the IOS Fraternity,

Season's Greetings!

As we bid adieu to the remarkable year of 2023, a time for reflection and anticipation arises. December, in particular, was marked by a series of significant events on the Indian Orthodontic Society (IOS) calendar.

Our second Executive Committee Meeting, conducted online, was instrumental in strategizing events and initiatives for the upcoming society year. Additionally, the Indian Board of Orthodontics organized an Awareness Programme in Chandigarh, enlightening members about the certification process and motivating them to pursue Diplomate status. Kudos to the meticulous organization by the Chandigarh Orthodontic Study Group.

The PG orientation program "Pragya," hosted by Sri Guru Ram Das Institute of Dental Sciences & Research in Amritsar, Punjab, aimed to familiarize first-year MDS students with the curriculum, aiding them in planning a fruitful three-year journey.

In a ground-breaking initiative, the IOS Head Office and the JIOS committee have collaboratively designed the "JIOS Chronicles" course. Comprising three online virtual webinars and a concluding in-person module, this program aims to guide Life Members and Student Life Members in crafting high-quality manuscripts for publication. Completion of all modules earns participants a certificate. We believe this program will greatly benefit members in mastering scientific writing and enhance the of our Journal of Indian Orthodontic Society.

I encourage members to extend this opportunity to their international colleagues, promoting JIOS as a platform for their research. Take a moment to explore the JIOS archives, where you'll find scholarly articles invaluable for planning research studies and developing robust literature reviews.

As we welcome 2024, let's make resolutions to elevate IOS to new heights in academic, clinical, and research pursuits. Ask yourself, "What have I done for my IOS?" Let's collectively engage in constructive activities for the betterment of OUR IOS!

Looking ahead, we anticipate your continued enthusiasm in participating in IOS calendar events and endorsed activities.

Jai Hind! Jai IOS!!

Warm regards

Dr. Jayesh S. Rahalkar

President, Indian Orthodontic Society

Secretary's Message

Dear Members ,

As we bid farewell to 2023, this December edition of IOS Times brings you the latest insights and highlights from the world of orthodontics in India.

We are thrilled to cover the Orthodontic Symposium held at Modinagar, where experts delved into cutting-edge advancements, fostering a collaborative environment for knowledge exchange. Our comprehensive coverage ensures you stay at the forefront of the evolving orthodontic landscape.

In addition, we feature 'Pragya,' the Postgraduate Orientation program held in Amritsar, dedicated to nurturing the next generation of orthodontists. Explore firsthand experiences, expert opinions, and valuable takeaways as these budding orthodontists embark on their transformative journey.

As we embrace the spirit of the season, may this edition inspire you in your professional endeavors and kindle the flame of curiosity for the year ahead.

Wishing you a joyous holiday season and a prosperous New Year!

Warm regards,

Dr Sanjay Labh

Hon Secretary
Indian Orthodontic Society

Editor's Message

As we bid farewell to another remarkable year, it is with great pleasure and a touch of nostalgia that I welcome you to the last issue of IOS Times for the month of December.

As we reflect on the achievements, challenges, and advancements that have shaped our community over the past twelve months, we find ourselves standing at the threshold of a new beginning. Our community has thrived on the exchange of knowledge, the pursuit of excellence, and the collective passion for transforming smiles and lives.

In this final issue of the year, we celebrate the triumphs and milestones that have defined our journey. Each section feature is a testament to the collective spirit that unites us as a national orthodontic community.

We extend our heartfelt gratitude to every contributor, researcher, practitioner, who has been an integral part of this vibrant tapestry.

As we step into the new year, let us embrace the opportunities that lie ahead with enthusiasm and a sense of purpose. The landscape of orthodontics is ever-evolving, presenting us with fresh challenges and possibilities. Let us continue to learn, innovate, and collaborate, ensuring that our profession remains at the forefront of dental healthcare.

One of the last events of the IOS academic calendar was "Pragya" at the holy city of Golden Temple, Amritsar. A well organized event with great conceptualized teaching. As we turn the page to a new chapter, I wish all to stay connected, stay inspired, and continue contributing to the collective narrative of orthodontics.

In closing, I wish you all a joyous holiday season, a restful break, and a prosperous New Year filled with professional growth and personal fulfillment. May the coming year bring us closer together, inspire fresh ideas, and pave the way for breakthroughs that will shape the future of orthodontics.

Thank you for being an essential part of our orthodontic family. Here's to a year filled with promise, progress, and the pursuit of excellence.

Warm regards,

Dr. Santosh Ramegowda

CLEAR ALIGNER MANUFACTURING SOLUTION

Erkopress Ci Motion

- Pressure Molding Technique
- 6 Bar Pressure
- Built in Compressor
- Infrared Temperature Sensor
- Touchscreen Operation
- Automated Process

Erkodur AL ALIGNER SHEET

Erkodur-al (PET-C) is a foil material optimized for the production of aligners. Compared to the proven Erkodur (PET-G), the material is

- Approximately 35% softer
- Lower initial force and feeling of tension during insertion
- Due to the very flat memory loss curve, the effective force lasts comparatively longer

Dr. Sudhir Kapoor
The 'Lajawaab' Lucknowi

Interviewed By:

Dr. Santosh Ramegowda

(Editor, IOS TIMES)

Written & Edited By:

Dr. Ankit Sikri

(Section Editor, IOS TIMES)

@ Lucknow Golf Course, Kalidas Marg (Lucknow, Uttar Pradesh)

The Childhood Days...

Dr. Kapoor was born on 9th November, 1957 and did his schooling from La Martiniere College, Lucknow which he completed in the year 1975. He had keen interest in studies with sound inclination towards sports –Cricket, Hockey and Football.

The 'Kapoor' in making...

His father Late Shri R.K. Kapoor and mother Late Mrs. Padma Kapoor were educationists. His father retired as Principal of an intermediate college and his mother retired as the Principal of a degree college. Both his parents passed on their qualities of sincerity, honesty and hard work to him and were his biggest inspiration.

He always had an inclination towards medicinal professions and in the year 1977, he got selected for Bachelor in Dental Surgery course at the Dental Wing, King George's Medical College, Lucknow. He graduated in the year 1981 with honours. Subsequently, in 1982, he got selected to specialize in Masters Degree (Orthodontics). He treated numerous patients with Standard Edgewise Technique under the guidance of Dr. D.S. Gupta and Dr. V.P. Sharma.

After his post-graduation, he joined as a Senior Resident in the Department of Dentistry, AIIMS (New Delhi). This was an enriching learning experience for him to work under learned orthodontists like Dr. S.S. Sidhu, Dr. Hari Prakash, Dr. Naseem Shah and Dr. O.P. Kharbanda.

After amassing this wealth of experience for three years at AIIMS, he joined as an Assistant Professor at Maulana Azad Medical College, New Delhi (Dental Wing) and served for three years. In the year 1989, he got an opportunity for the post of Consultant in a private dental hospital in Riyadh (Saudi Arabia). This was another brilliant international clinical experience for him where

he treated a variety of cases. And after one and a half year, he returned to Lucknow and started his private practice.

At that time, private dental colleges were in their budding stage. He got an opportunity to become the Associate Professor & Head, Saraswati Dental College, Lucknow in the year 2000. He worked for five years and then in year 2005, joined as Professor at Sardar Patel Postgraduate Institute of Dental and Medical Sciences, Lucknow. In the year 2010, he was promoted to the post of Professor and Head till the year 2023. He was instrumental in starting the PG course in the department and till now, sixteen batches have earned their degree under his leadership.

Stint in Dental Council of India...

He has been the Member, Dental Council of India for five and a half years. He was actively involved in the Scrutiny Committee, MDS Curriculum Committee and Grievances Committee. He gave his valuable suggestions for Orthodontics syllabus in both UG and PG courses. He was President, UP State Dental Council and is still the Member of the State Council.

Work Experiences & Services in IOS...

He is currently the Director of Post Graduate Studies in the same institution. He is an efficient administrator with a dynamic personality who has conducted numerous continuing dental education programs in all specialities of dentistry. He organised a three day MBT hands on course which was engineered by none other than Dr. Sadashiva Shetty. Along with this, National Typhodont workshop was also conducted.

Thrice he has been the Executive Committee Member of IOS and was actively involved in various activities of the society. As the Convenor of OSGOL (Orthodontic Study Group of Lucknow), he organised multiple scientific programmes, awareness programmes and rallies. He has the honour of being awarded as the Best Professor Award of IOS in National Orthodontic Conference held at Pune, 2022.

In February 2023, he was the Organizing Chairman of 26th IOS National PG Convention. Large number of faculty members and post-graduate students attended this three day event. Later in the year (November), he became the Organizing Chairperson of the first ever National Functional Workshop in Lucknow.

He has also served as Member, Board of Studies - Delhi University, KGMC Lucknow, Aligarh Muslim University and Maulana Azad Medical College New Delhi. He has attended International conferences and has delivered a good number of presentations, lectures and also had conducted courses and workshops. He has been a regular DCI Inspector, paper Setter and examiner in number of universities.

Family comes first...

He is happily married to Mrs. Poonam Kapoor. Both of them got married on May 23rd, 1987. They are blessed with two children: Saumya and Raghav. His daughter Saumya did her BDS from Lucknow and MDS (Prosthodontics) from Manipal. She did her senior residency from King George's Medical College and eventually got married to Sachet who has done MBA and is an engineer by profession. Both of them are now well settled in United States. She is now doing her M.S. (Prosthodontics) at Ann Arbor, Michigan.

His younger son, Raghav and his wife Manvika are settled in Dubai and both work for a multinational firm.

And the Credit goes to...

He gives all the credit to his parents and teachers who worked hard and provided him with all the facilities regarding education. His parents are the real 'role models' for him. In profession, he has been inspired by his gurus, the stalwarts, Prof. T.N. Chawla, Prof. D.S. Gupta, Prof. D.N. Kapoor and Prof. S.S. Sidhu for his scholarly achievements. As a private practitioner his motivational sources were Dr. Pradip Jayna, Late Dr. L.K. Gandhi and Dr. Anil Kohli who encouraged him to build a multispeciality dental clinic in Lucknow where he has been practising since 32 years.

Let's Go 'Golf'...

He happens to be a keen and avid golfer. "A round of golf always gives him the desired amount of relaxation" (laughs passionately)

He has been a member of Lucknow Golf Club since the year 1998. He has also served in the management committee of the club for seven long years and became the Captain of the club from the year 2012 to 2017. During his tenure, scores of developments took place in the golf course with nearly seventy tournaments being organized.

Under his captainship, his club team won the All India Signature Mc Dowell Golf Championship held at Phuket (Thailand) in the year 2009 and were runners up in the same international tournament at Chiang Mai (Thailand). Recently he emerged as runner up in Monsoon Cup golf tournament (Veteran's Category).

Words of Wisdom...

The youngsters should be sound in theoretical knowledge by reading books and journals. They should also be clinically sound while treating the patients. The present generation should develop a habit of continuous learning and applying different and efficient treatment mechanics. Treating patients with devotion, dedication and ethics is the mantra for our day to day life. Hard work will bring good results which will further add a 'smile' and 'satisfaction' on the patient's face

IBO AWARENESS PROGRAM

(Hosted By: Chandigarh Orthodontic Study Group)

Reported By: Dr. Ankit Sikri (Section Editor)

IBO AWARENESS PROGRAM, a calendar event of Indian Orthodontic society was proudly hosted by Chandigarh Orthodontics study group at Hotel The Lalit, Chandigarh. It was attended by IBO Chairman, all the Directors of Indian Board of Orthodontics, many senior members of COSG, Dr. S.P. Singh, Dr. Deepak Gupta, Dr. Deepankar Bhatnagar, Dr. Sukhdeep Singh Kahlon, Dr.

Ankit Sikri, Dr. Sanjeev Verma, Dr. Ajit Jaiswal, Dr. Devinderpreet Singh, Dr. Vinay Kumar and Dr. Raj Kumar Verma.

IBO, Chairman, Dr Rajaganesh Gautam, Vice chairman, Dr Salil Nene, Dr Malaram Manohar, Dr Ajit Kalia and Dr Kiran Kumar appraised the members of COSG, life members and student members regarding the benefits of taking the exam and structure of IBO certification. They also discussed in detail the selection of clinical cases for all the five categories of cases, the treatment planning and levels of expected outcome. The importance and quality of pre-treatment, mid-treatment and posttreatment orthodontic records was also discussed and displayed.

Dr. S.P. Singh, Dr. Gautam Munjal, Dr. Sanjeev Verma and Dr. Ajit Jaiswal motivated the participants to take this voluntary exam for self-evaluation and enter the elite group of Diplomates of Indian Board of Orthodontics.

The program was great success and was attended by more than 85 participants, including 35 life members. The feedback regarding the program by the participants was full of appreciation.

CDE Program

(Raichur)

A total of 67 participants registered for this course including the IOS Life Members and Student Life Members which also included the HOD'S and Postgraduate students from different dental colleges which are mentioned as follows:

1. Navodaya Dental College, Raichur, Karnataka
2. S.Nijalingappa institute of Dental College, Kalburgi, Karnataka
3. Al Badar Rural Dental College, Kalburgi, Karnataka
4. P.M.N.M. Dental College, Bagalkot, Karnataka.
5. Al Ameen Dental College, Vijayapura, Karnataka
6. Dayanand Sugar Dental College, Bangalore
7. G.Pulla Reddy Dental College, Kurnool, Andhra Pradesh.
8. Government Dental College, Cuddpah, Andhra Pradesh.
9. SVS Dental College, Mahbubnagar, Telangana.
10. AME'S Dental College, Raichur.

The alumni of our dental college practising at Bangalore and Kalburgi, Raichur also participated in the event. It attracted Orthodontic practitioner from Dharwad. This program was endorsed by Indian Orthodontic Society and we express our heartfelt thanks to the honorary secretary of IOS, Dr Sanjay Labh and the president of IOS Dr Jayesh Rahalkar. We wholeheartedly thank the IOS for endorsing the CDE program and guiding us in conducting the event.

We also thank Dr Ranganth.V., the President of Karnataka State Dental Council, Bangalore for allocating 12 CDE points for this CDE program and Handson Workshop of two days. The event was a success due to the support of the Management, Principals Office, Team effort of Department Staff / Post Graduates and the delegate's participation. The student response in the feedback forms has been an appreciation for the entire event with an overall score of 3 (0-4) for the entire program.

CDE Program

(Udaipur)

Pacific Dental College & Research Centre, Udaipur and Rajasthan Orthodontic Study Group hosted a two-day CDE program with hands on “Cubing the Orthodontic Rubik” on 22nd and 23rd December, 2023. Dr. Piyush Bolya Professor and Head, Department of Orthodontics and Dentofacial Orthopedics, was the Organizing Secretary for the event.

The program was graced by Dr. Puneet Batra (President – Elect, Indian Orthodontic Society). Dr. Batra was also the guest speaker for the event. He enlightened the program by his valuable presence and knowledge.

On the first day, there were lectures by Dr. Puneet Batra on basics and advanced orthodontic treatment mechanics and live demonstration of wire bending exercises, after which all the participants got hands on experience. The day concluded with a gala banquet.

On the second day of CDE program, there were poster and paper presentations involving 20+ paper and 30+ poster presentations. The inaugural session was chaired by Dr. Puneet Batra himself along with Dr Piyush Bolya. The poster presentation was a competitive event and top three participants were awarded. The program was a huge success with 80+ enthusiastic delegates attending the program from different states.

IND2267950 (v1.0) 20 MAR 2023

Orthodontic Week Celebration Rajasthan Dental College & Hospitals, Jaipur

In a vibrant celebration of Orthodontics Day, we postgraduates of department of orthodontics and dentofacial orthopedics of Rajasthan dental college and hospital, Jaipur under the guidance of Dr. Shikha Singh (Professor &

Head) organized a week-long extravaganza that aimed to spread awareness and engage both undergraduates and the community. The event featured various competitions and activities that showcased the essence of orthodontics in a lively and informative manner.

The festivities with competitions tailored for our undergraduate students. Poster-making, Rangoli, and wire-bending competitions added a creative flair to the event, allowing participants to showcase their skills and understanding of orthodontics. The highlight of the day was our Selfie point and department decoration. To add an extra layer of excitement, IOS momentos as prizes were awarded to the winners, turning the competition into a spirited display of talent and camaraderie.

The second day of our celebration took us beyond the confines of our department as we organized an Orthodontic Awareness Camp in a My Own school in Jaipur on October 6th. This outreach initiative aimed to bring orthodontic care and knowledge to the students, particularly focusing on the younger generation.

During the camp, orthodontists conducted check-ups for the children, providing insights into their dental health and offering guidance on potential orthodontic treatments. The personalized attention from qualified professionals ensured that parents received valuable advice on the best course of action for their children's dental well-being. The event created a unique opportunity for our department to not only showcase expertise but also to actively contribute to community health. By extending our reach to schools, we promoted early awareness and intervention, emphasizing the importance of orthodontic care in overall dental health.

On the third day, October 7th, we extended our Orthodontics Awareness Week to Café Out in Jaipur. Utilizing a projector, we showcased the intricacies of orthodontic treatments, encouraging attendees to consider seeking advice from qualified orthodontists. This interactive session provided valuable insights into the transformative possibilities of orthodontic care. Building on the momentum, the fourth day, October 9th, witnessed an exhilarating bike rally across Jaipur, covering a remarkable 100 kilometers. Partnering with a Royal Enfield group comprising 150 enthusiasts, we rode through the city, spreading awareness about orthodontics. The rally not only symbolized our commitment to reaching diverse audiences but also emphasized the unity of purpose in promoting oral health.

The culmination of our week-long celebration took place on October 11th and 12th with a special screening at a cinema hall. The focus of the screening was IOS awareness, emphasizing the significance of cutting-edge technology in orthodontics. The event garnered significant attention, and to amplify its impact, we secured media coverage in Dainik Navjyoti and other prominent newspapers. This ensured that our efforts reached a broader audience, contributing to a wider understanding of the orthodontic practices. In essence, our extended activities beyond the department, ranging from interactive cafe sessions to adventurous bike rallies and cinematic presentations, reinforced the multifaceted approach we adopted for Orthodontics Awareness Week. The media coverage served as a powerful tool, amplifying our message and solidifying our commitment to advancing oral health awareness in Jaipur and beyond.

POSTER COMPETITION

Orthodontic Week Celebration Chandigarh Orthodontic study Group

Awareness lectures were organized by Faculty of OHSC, PGIMER - Chandigarh (Dr SP Singh, Dr Sanjeev Verma, Dr Raj Verma and Dr Vinay Kumar) in Government School, Chandigarh. Around four hundred students of Classes 8th, 9th and 10th were made aware regarding orthodontic treatment with the help of presentations, posters and videos. Oral examinations were conducted for all the students.

Department of Orthodontics, HS Judge Institute of Dental Sciences under guidance of Dr. Deepak Gupta organized a skit "Nukkar Natak" was performed by PGs, Interns and faculty in Sector 17, Chandigarh

Dr Deepankar Bhatnagar and team organized awareness lectures and other awareness activities in M.M. Dental College, Mullana.

Orthodontic Week Celebration

AME's Dental College, Hospital & Research center, Raichur, Karnataka,

The National Orthodontic Week was celebrated on 9/10/23 in the department of Orthodontics and Dentofacial Orthopedics in AME's Dental College, Hospital & Research center, Raichur, Karnataka, with the aimed to provide valuable dental health information to community. The primary objectives of the program were to raise awareness about the importance of orthodontic care. Many fun events were also conducted like tattoo making, face painting, wire bending and many more. We extend our gratitude to all participants, volunteers for their invaluable contributions in making this event a resounding success.

The Orthodontic week celebration of 2023 was a testament to the passion and dedication of the orthodontic community. We look forward to future celebrations and the continued growth of our community

Orthodontic Week Celebration

Shree Bankey Bihari Dental College and Research Centre Ghaziabad

The Department of Orthodontics and Dentofacial Orthopaedics at Shree Bankey Bihari Dental College and Research Centre, Ghaziabad, U.P. celebrated Ortho Week with great enthusiasm and fervour from 5th October to 12th October 2023. The primary goal of this celebration was to promote awareness about orthodontics, highlight the importance of oral health, and foster a sense of community within the department.

Event Highlights:

The Ortho Week festivities kicked off with a grand inauguration ceremony attended by faculty members, students, and distinguished guests. Throughout the week, the department organized a

series of informative lectures and workshops and more than 150 students actively participated in different events conducted by the department including the creation of informative posters and models showcasing various orthodontic procedures, treatment techniques, and case studies. Other events conducted were soap carving, caption writing, Quiz, Rangoli, Ortho vlogs, Wire bending, Graffiti, Best out of waste, Nail art, Ortho memes, T-shirt painting, Debate, Essay writing, Glass painting, Nukkad natak, Poster making, Smile contest, Face painting, 3D model making, Paper craft, Photobooth. These exhibits served as valuable educational resources for both students and visitors. To encourage friendly competition and skill development, clinical competitions were organized. Students showcased their clinical expertise through case presentations, bracket placement contests, and other hands-on activities. Winners were awarded certificates and prizes. The department took an active role in community outreach by organizing free dental check-up camps and awareness programs in local communities. This initiative aimed to promote oral health and educate the public about the importance of orthodontic care.

The Ortho Week celebration in Department of Orthodontics and Dentofacial Orthopaedics at Shree Bankey Bihari Dental College and Research Centre, Ghaziabad, U.P. was a resounding success. The week-long events not only provided valuable educational opportunities but also strengthened the bonds within the orthodontic community. The department looks forward to future celebrations and endeavours to continue promoting excellence in orthodontic education, research, and patient care.

Orthodontic Week Celebration

COLLEGE OF DENTAL SCIENCE & HOSPITAL, RAU, INDORE

Our PGs actively participated in decorating the Department of Orthodontic and Dentofacial Orthopedics. The color theme was inspired by the IOS logo itself.

Students enthusiastically participated in variety of competitions such as rangoli competition, wire bending, pot painting etc. conducted in the campus.

Orthodontic Week Celebration

Government Dental College and Hospital, Mumbai

Get ready to smile wide!

"Prepare to embark on a journey of smiles! The Department of Orthodontics and Dentofacial Orthopaedics at Government Dental College and Hospital in Mumbai, in collaboration with the Indian Orthodontic Society, recently orchestrated a scientific spectacle during National Orthodontist Week. Here's what we did to make the world of orthodontics captivating:

Program Objectives:

Unveil the mysteries of malocclusion to the world! Our mission was to enlighten not just the general public but also ignite the curiosity of budding healthcare professionals about the wonders of orthodontics.

Screening of Orthodontic Awareness Video of IOS: Cinematic kick-off

The event commenced with a movie-like screening of an Orthodontic Awareness video by the Indian Orthodontic Society in the grand lecture theatre. We showcased the pivotal role of orthodontists as the heroes of healthy smiles.

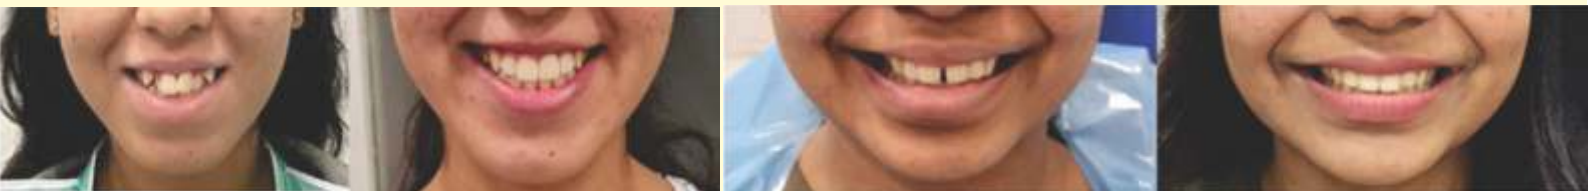

Department Decoration: Artistry in Dentistry

Our department turned into a canvas of knowledge and creativity. The walls adorned posters, shouting the importance of orthodontics and showing real-life transformation cases. Our message couldn't go unnoticed!

Best Smile Transformation Competition: Smile Transformation Showdown

Our postgraduate students engaged in a friendly yet fiercely competitive contest to determine the 'Best Smile Transformation,' unveiling some remarkable before-and-after smiles.

Innovative Public Awareness Activity: Innovative Enlightenment

The highlight of the event was an innovative approach to spread awareness among undergraduate students,

other dental specialties, and patients. students performed an awareness skit on the college premises to highlight the preventive, interceptive, and corrective orthodontic procedures.

Orthodontic Awareness Lecture at a Nearby School: Schooling Smiles

To guide and motivate school children regarding orthodontic problems and their treatment, an awareness lecture was organized. Various videos and photographs were shown to the kids to enhance their understanding.

Most Impactful Public Awareness Activity: Impactful Illumination

A powerful message is best received when delivered with dedication and significant effort. As part of this event, Students from the institute produced an awareness video that was displayed on various digital screens.

To further pique the interest of undergraduate students and individuals from various specialties in orthodontics, several additional events were organized, including a Creative Wire Bending Competition and an Orthodontic Reel Competition.

In the end, this event was a resounding success, leaving patients, students, healthcare professionals, schoolchildren, and school staff members beaming with newfound knowledge. Stay tuned for more smiles in the future!

Orthodontic Week Celebration

Government Dental College & Hospital

Bambolim Goa

National Orthodontist day was commemorated at Government Dental College & Hospital, Bambolim Goa on 5th October 2023 with much zest and gusto. The Department was decorated and spruced up to reflect a sense of pride and a feeling of enthusiasm embedded in our hearts for being a part of this profession.

A series of events were organized in the department, such as:

1. E-Poster Competition: based on the following themes -
 1. Orthodontic Awareness
 2. Oral habits
 3. Scope of Orthodontics
 4. Best time to visit an Orthodontist

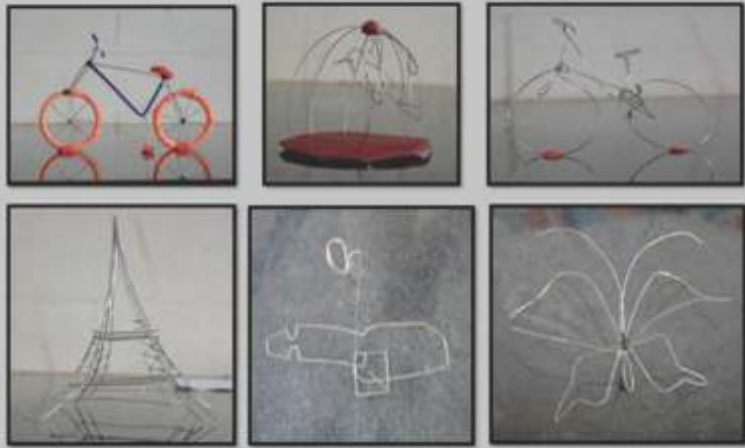

E-POSTERS

2. Wire Art: Undergraduate students demonstrated their wire bending skill to construct a shape, design or object of their choice.
3. Clay Models: Undergraduate students once again showcased their talent for molding clay into an item with relevance to the field of Orthodontics.

WIRE CREATIVITY

CLAY-ART

4. Rangoli Competition: The Student community, Teaching & Administrative (Office) staff employed Rangoli color art as a medium to propagate the significant contribution of Orthodontics toward optimal smile esthetics and oral health.

Rangoli Competition

A Public Awareness Campaign was launched in schools wherein students, teachers and parents were enlightened about the purview of Orthodontics, scheduling of the first examination of a child by the Orthodontist and the import of regular review appointments as also specialist referrals.

Games were organised to engage the audience attending the program.

Orthodontic Week Celebration

ITS Dental College and Hospital Greater Noida

ITS Dental College and Hospital, Greater Noida, and its team of Faculty members, post-graduates from the Department of Orthodontics and Dentofacial Orthopaedics, along with undergraduate students celebrated National Orthodontic Day (5th October) and National Orthodontic Week (5th to 12th October) to mark 58th year of inception of our Indian Orthodontic Society.

To commemorate this foundation day, the team led by Dr Anshul Singla, Professor and Head, Department of Orthodontics decorated the entire department, by creating photo booths to take pictures in, decorating the hallway, and carrying out various programs throughout the week.

The department conducted free consultations for the attenders of the patients for the entire celebration week.

Day 2 and 3- As part of creating awareness, a school camp was organized at Bharat Ram Global School, Greater Noida amongst the students and their faculty. A presentation was presented to the students and staff through which, many clarified their doubts, and a general checkup was also conducted for all.

Day 1 to Day 7 – In-house awareness campaigns were done to encourage and motivate people to improve their smile and oral function this week.

Orthodontic Week Celebration

ISANKALCHAND PATEL UNIVERSITY

NARSINHBHAI PATEL DENTAL COLLEGE AND HOSPITAL

Department of Orthodontics and Dentofacial Orthopaedics, Narsinhbhai Patel Dental College and hospital, Sankalchand Patel University organized a one-week event to celebrate National Orthodontist Week from 05th October, 2023 to 12th October, 2023.

Day-1 (05.10.2023): The event started with very active participation of the postgraduates, undergraduates and non-teaching staffs for decoration of the department. Day-1 commenced with inviting our Dean and all the HODs of different dental faculties. The dress code was white t-shirt and blue pant. We held an awareness program in our campus, Narsinhbhai Patel Dental College and Hospital (NPDCH), dedicated for 1st year BDS students. "Best Smile" Competition was organized for students and staffs; whose entries began on Day-1 of the week.

Day-2 (06.10.2023): This day included awareness campaign in Nootan Homeopathic Medical and Hospital and; Nootan College of Physiotherapy. Reel making competition was organized and entries were taken before the orthodontic week started. The winners of reel making competition were announced and prizes were presented by our honorable Dean and HODs of different dental faculties. **Day-3** (07.10.2023): The awareness campaign was continued in Nootan College of Nursing and Sankalchand Patel College of Engineering. E-poster making competition was organized and winner were presented with prizes by our honorable Dean and HODs of different dental faculties.

Day-4 (09.10.2023): We held the last awareness campaign in Nootan Medical College and Research Centre and; Nootan Ayurvedic and Research Centre. Judges were invited in our department for the judgement of "Best Smile" competition Student category. 579 BDS and MDS students took part in the competition.

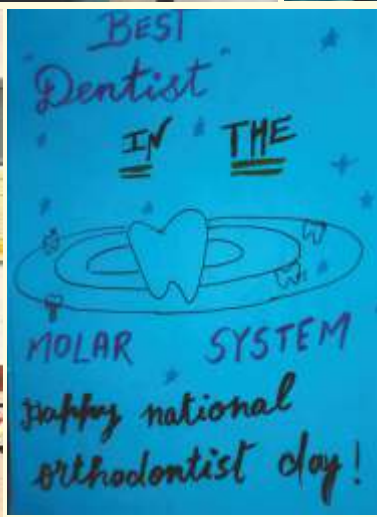

Day-5 (10.10.2023): The judgement for "Best Smile" competition Staff category was done by the HOD and Staffs of our department which had a total of 32 participants.

Day-6 (11.10.2023): A small rally was held in the town of Visnagar to make the town citizens aware of importance of orthodontic treatment.

Day-7 (12.10.2023): We ended the week by announcing the winners of Best Smile competition of both staff and student category and prizes were given by the Dean and HODs of different dental faculties.

The whole week was filled with lots of fun. Students and staffs of NPDCH came to the department of Orthodontics to click pictures with the props. The best part of the week includes receiving thank you cards from the patients who got to know about the week's celebration.

Sr. No.	Name	Designation	Roles and Responsibility

Orthodontic Week Celebration

Rungta College of Dental Sciences & Research Bhilai, Chhattisgarh

To commemorate the milestone event in the world of orthodontics, Department of Orthodontics & Dentofacial Orthopaedics of Rungta College of Dental Sciences & Research, Bhilai, Chhattisgarh, celebrated National Orthodontics Awareness week from 5th to 12th October.

Various events & competitions were being organized by the department to celebrate national orthodontics week and most importantly to generate awareness for orthodontics among general public.

What else can be better than enlightening the younger minds and making them aware of various benefits of orthodontic treatment done by orthodontist.

On 5th of October Dentofacial Orthopaedics of Rungta College of Dental Sciences & Research, Bhilai, Chhattisgarh organized a lecture on awareness of orthodontic treatment in Rungta Public School, Bhilai, Chhattisgarh, for students of class 6th to 8th standards. Lecture was delivered by Dr. Gaurav Agrawal, Reader in Department of Orthodontics & Dentofacial Orthopaedics.

Also a impactful skit for students addressing various social stigma and problems related to orthodontic awareness in society was performed by the post-graduate students of department of orthodontics and interns.

Lecture by Dr. Gaurav Agrawal

Skit by PG & Interns

Glimpses of the Event

Department had arranged for a free orthodontic consultation for the patients from 5th to 12th October. It's well said that "creativity is intelligence having fun" To mix creativity & fun department organized a creative wire bending competition for all the undergraduate students on 7th of October.

The creativity in wire bending reciprocated talent and enthusiasm of participants. The winners of the competition were felicitated with certificates.

Nothing is better than an impactful message to generate a keen interest. Closing ceremony of the eventful week of National Orthodontics Awareness was organized. To make it more impactful department organized a meme competition with the theme of importance of orthodontic awareness. This was the most impactful way of delivering the message of importance of orthodontics.

Subject toppers of the college and winners of the various competition were felicitated. The closing ceremony was graced by the chairman of Sanjay Rungta Group of Institutes, Shri Sanjay Rungta, Dean & Vice-Dean of Rungta College of Dental Sciences, Dr. Karthik Krishna. M, Dr. Fatima Khan respectively.

Department of Orthodontics & Dentofacial Orthopaedics of Rungta College of Dental Sciences & Research, Bhilai, Chhattisgarh, celebrated national orthodontics awareness week with full zeal and gesture, generating an awareness for orthodontic treatment.

Event was successful with constant guidance of Prof & HoD, Dr. Sumit Gandhi, support of all the faculties and post graduate student of the department.

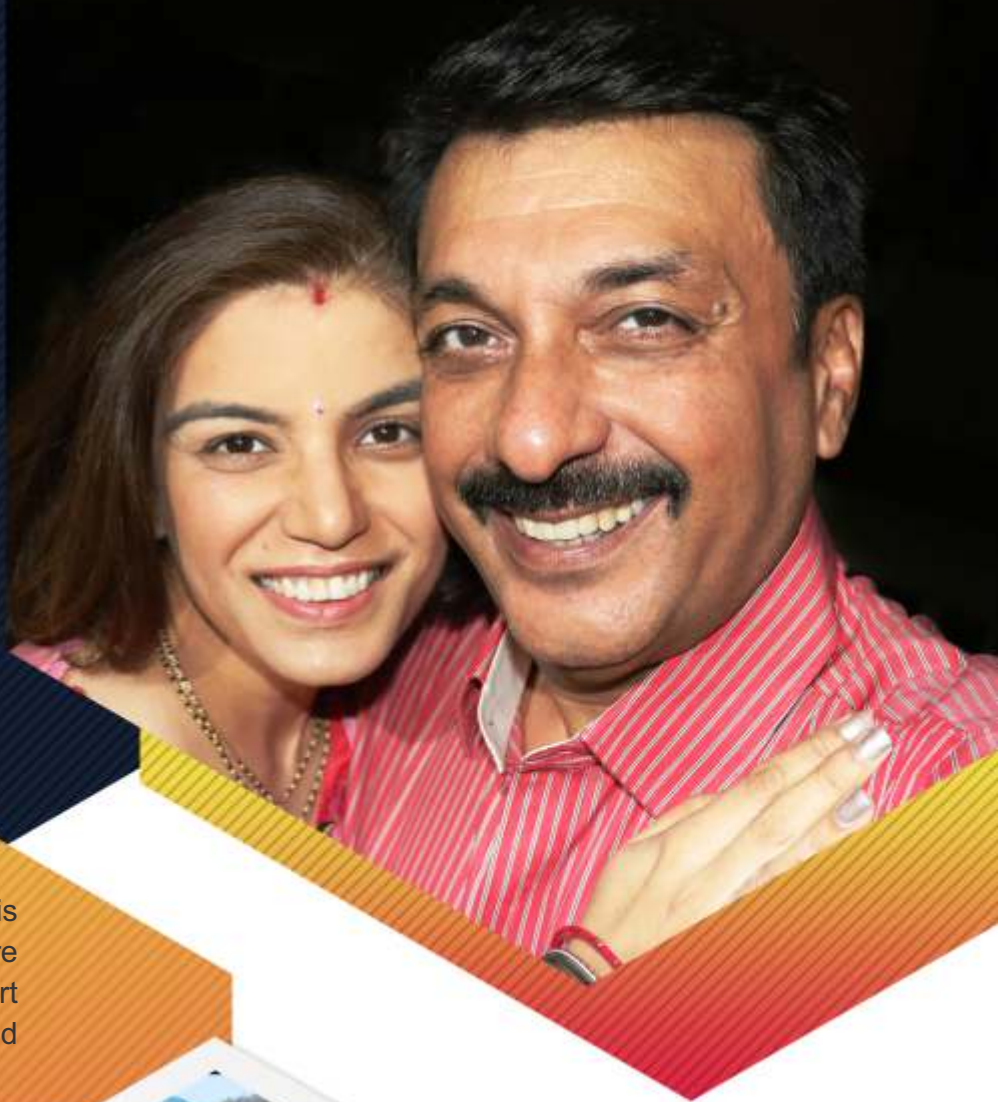

Glimpses of closing ceremony

Orthodontic Couples Amongst us

**Dr. Puja
and
Dr. Sumukh**

22 slot vs 18 slot

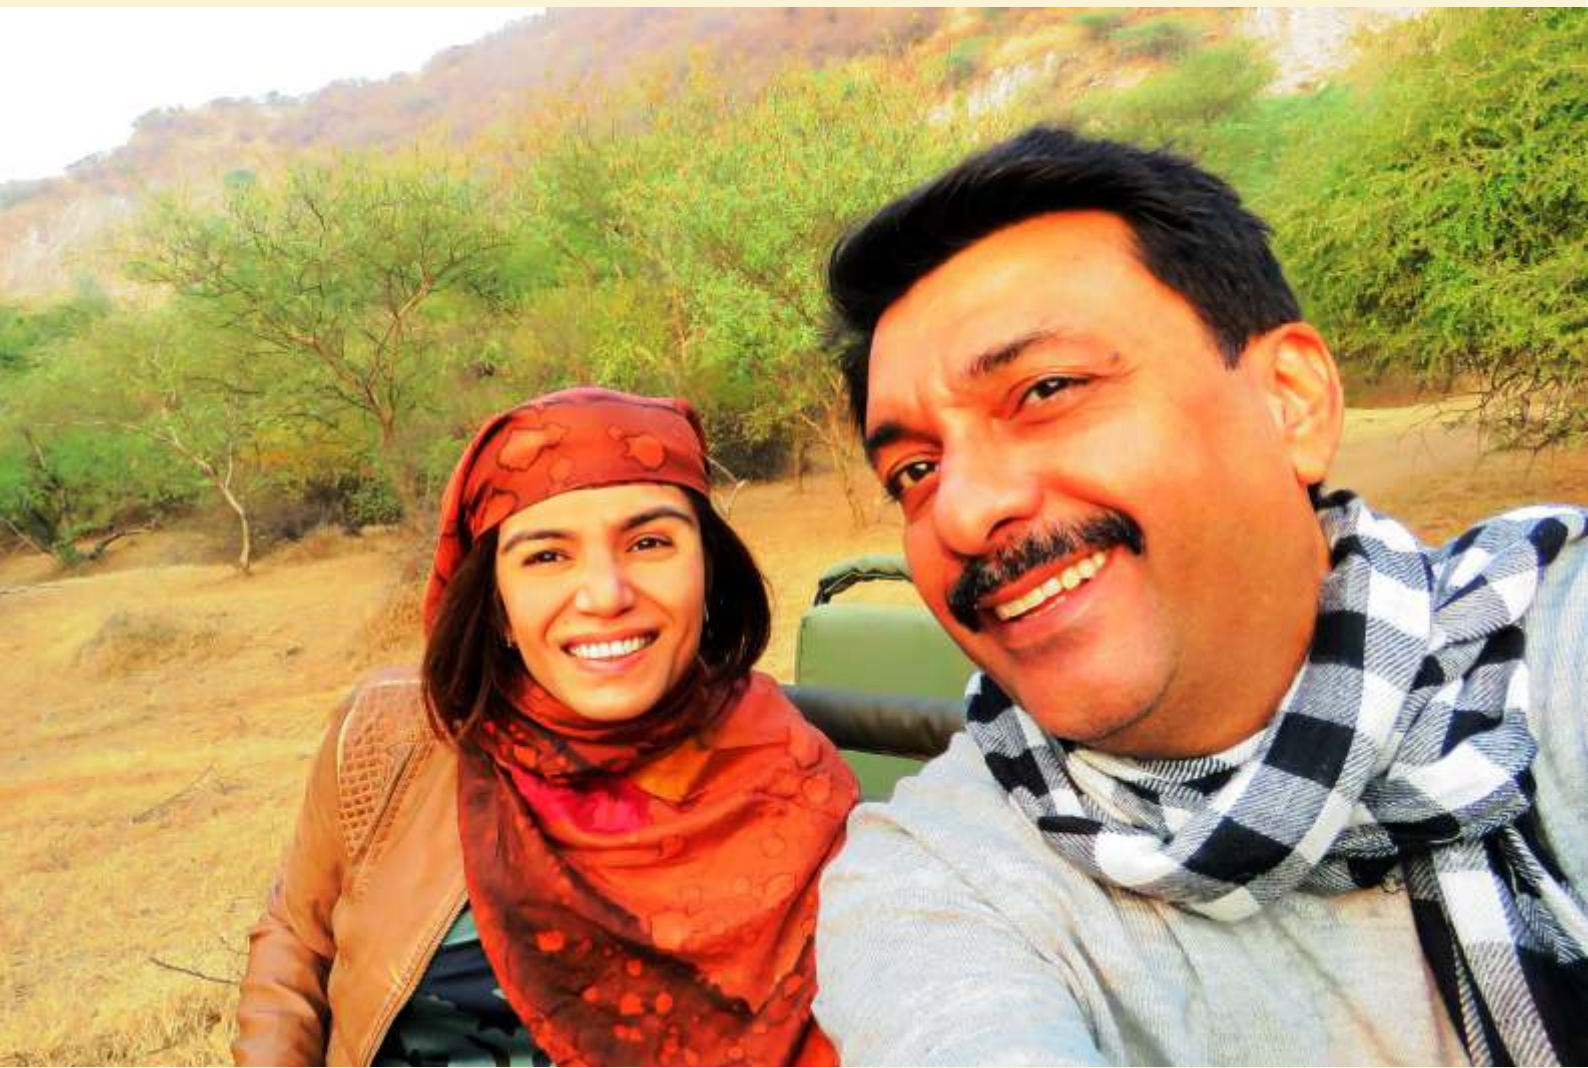

"When the tiger comes, wake me up!" is what Puja had said to me while we were on a Jungle Safari in Pench. That in short is how our friendship started, blossomed and finally led to matrimony.

Puja, born and brought up in Delhi, attended Salwan Public School. She completed her B.D.S. in 1996 (MAMC-Delhi), and M.D.S. in 2000 (KGMC, Lucknow).

I'm Sumukh, a thoroughbred Mumbaikar. I schooled at Bombay Scottish, and completed my B.D.S. course in 1986, and M.D.S. in 1988 from NHDC, Mumbai.

Her parents were very keen that she becomes a Doctor. So when she didn't make the cut off for MBBS, she joined the BDS course. After completing her internship and house job, she was selected for junior residency at PGI, Chandigarh and was simultaneously preparing for her MDS entrance exam. She secured the first rank in All India PG entrance in the year 1998. Puja decided to pursue the study of Orthodontics over other options. She was the recipient of the International College of Dentistry Merit Award – 2001 (BEST STUDENT - THE INTERNATIONAL COLLEGE OF DENTISTS; INDIA SECTION). At present she is Professor and Head, Department of Orthodontics, at JCD Dental College, Sirsa, Haryana.

As a young boy, I had "braces" and was totally impressed with the science that moved teeth. I wanted to be an Orthodontist. That is the reason why I enrolled for the BDS course. In fact, at the time of joining college, some of the seniors would "rag" me for the same. But little did they know of my determination to become an Orthodontist. I topped each year, getting a first class in the final year. That was a record, as I was the first student to do so in the 52nd year of the college. Besides being the recipient of Dr. Keki Mistry Gold Medal (Bombay University), the International College of Dentistry presented me with a plaque in recognition of my "Outstanding Achievements" during the years of dental study. My performance ensured my Ortho seat.

Besides being a fellow orthodontist, Puja shares my passion for photography and the wild. Meditation, music and sketching help us relax and recoup from the daily stress and hectic schedule. We both are foodies too.

Besides the areas of shared interests, our Orthodontic preferences are poles apart. Puja's a 22 slot operator, while I prefer 18. She loves SLB and I abhor that hardware. She loves glamour and I always favour simplicity. In spite of the obvious differences in training and choices of treatment techniques, we always encourage each other to excel.

So, as it's often said, opposites attract, and it's working very well for us, and we shall continue living our love story in tandem.

Report of CDE programme on 4th Dec 2023 Shree Bankey Bihari Dental College And Research Centre

Department Of Orthodontics And Dentofacial Orthopaedics

“Begin with the end in Mind: Current clinical concepts in straight wire orthodontic treatment with practical applications, tips and tricks” - a Continuing Dental Education (CDE) programme took place at Shree Bankey Bihari Dental College & Research, Ghaziabad, U.P., on December 4, 2023. This one-day program, organized by the Department of Orthodontics and Dentofacial Orthopaedics in collaboration with the Indian Orthodontic Society (IOS), featured Dr. Joseph Varghese as the esteemed Keynote Speaker. Dr. Joseph Varghese, a renowned clinician with a wealth of experience in conducting Straight Wire Courses across India, shared his expertise on Simplified Biomechanics and Current Concepts in Straight Wire Treatment, offering practical applications, tips, and tricks. To add to the program's significance, Dr. Payal Sharma, Professor and Head of the Department of Orthodontics at ITS Dental College, Muradnagar, and Dr. Vaibhav Mishra, Professor and Head of the Department of Orthodontics at DJ Dental College, graced the occasion. Delegates from CDER AIIMS New Delhi, PGIDS Rothak, Manav Rachna Dental College, SGT Dental College, DJ Dental College, PDM Dental College, Kalaka Dental College, ITS Dental College Muradnagar, ITS Dental College Greater Noida, Sudha Rustogi College of Dental sciences and Research, Santosh Dental College, IDST Dental College participated in the lecture. The event witnessed a total of 72 registrations from delegates, including postgraduates and faculty members, representing various dental colleges. Their active participation contributed to the success of the program, fostering a collaborative environment for learning and professional development. Dr. Sunanda Roychoudhury, organizing chairperson expressed her gratitude to Shri Ganga Sharan Sharma (Chairman, Shree Bankey Bihari Dental College and Research Centre) and the delegates for contributing to the success of the event. The day concluded with an impressive dinner attended by dignitaries, blessed with the presence of Dr. Sanjay Labh (Hon. Secretary IOS) and Dr. Achint Juneja Professor and Head of the Department of Orthodontics at IDST Dental College.

CHANDIGARH ORTHODONTIC STUDY GROUP (CDE Events)

Chandigarh Orthodontic Study Group organized one day CDE program on 29th Oct 2023 at Hotel Shivalikview, Chandigarh. The Guest speaker for the event was Prof Dr. Gauri Vichare. Her topic of presentation was "Class III Malocclusion: Evidence based approach". Different treatment modalities for management of Skeletal Class III Malocclusion at different age group in correlation to the literature were discussed in detail. The program was attended and appreciated by more than 70 participants including senior life members from the adjoining states.

Chandigarh Orthodontic Study Group organized CDE program on 26th Dec 2023 at Hotel Shivalik View, Chandigarh. The Guest speaker for the event Prof. Dr. Sridevi Padmanabhan presented on "Airway and its clinical implication" and "Applying Research to clinical practice". She discussed the history, effect of mandibular positioning by surgical and non surgical means on Pharyngeal airway and contemporary evidences were in detail. In the second lecture, she enlightened the audience with the concept of Systemic review and metanalysis. The program was attended by more than 50 participants including senior life members from the Tricity. All the participants appreciated the academic sessions and hospitality. The event was a grand success.

GUESTS OF HONOUR

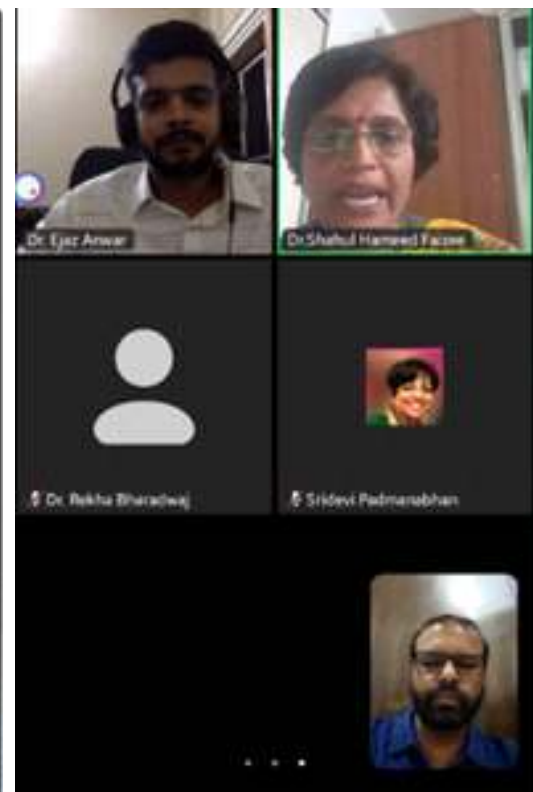

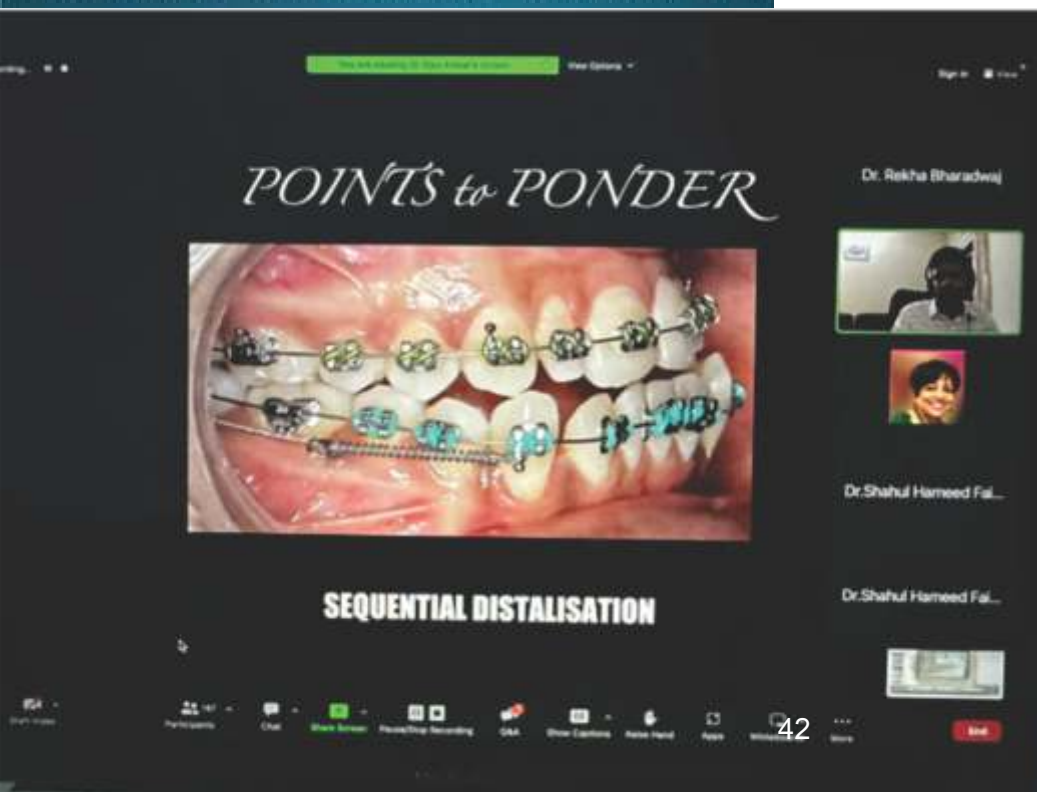

Dr. Shahul Hameed Convener, MOSG
Dr. Vijayabhith Co-Convener, MOSG
Dr. Rekha Bharadwaj Co-Convener, MOSG

Madras Orthodontic Study Group organized a clinical enrich program on "Non - Surgical Management of Skeletal Class III Malocclusion with MARPE and TADs" for the members of Indian Orthodontic society on December 24th 2023. It was a privilege to have all the members of MOSG.

Dr Ejaz Anwar is a recipient of MFDS RCS, MORTH RCPSG, who has done advanced orthodontic training in TADs and MARPE in UK, Taiwan, Singapore, and Spain.

The session was moderated by yet another dignitary - Dr Sumitra (HOD, K.L.E. Institute of Dental Sciences, Bengaluru) who is also a pioneer in MARPE. She has 27 years of teaching experience and has got many awards for best treated case, best research paper etc. and has got more than fifty publications in peer reviewed journals.

The webinar was well attended by more than 200 participants across the country and the program has received 2 CDE points from DCI and the e-certificate was given to the participants

GUJARAT ORTHODONTIC STUDY GROUP CDE Program (M.B.T 5.0)

The last and final GOSG event for year 2023 was conducted on 10th December 2023 at Hotel Four Points by Sheraton, Ahmedabad. The Chief Convener Dr. Pranav Chandarana welcomed the delegates and the speaker to the fourth event of the year. Co – Convener, Dr. Dhaval Somani introduced the guest speaker Dr. Akshai Shetty who spoke extensively on M.B.T 5.0 and Surgery first approach along with ample number of clinical cases. Team GOSG also arranged a Poster presentation competition for PGs which had an overwhelming response with 31 presenters which were adjudicated by Dr. Akshai Shetty himself. The top three winners were given certificates with special gifts. Co - convener Dr. Aakash Shah conveyed the vote of thanks. The event was well attended by 62 participants.

INTERNATIONAL OBSERVERSHIP PROGRAM

An eagerly awaited program of the Indian Orthodontic is its International Observership Program. This program provides a platform for life members of IOS to visit centers of Orthodontic excellence at top international universities. The program involves a call for applications, from the applications received; candidates are selected based on their Curriculum Vitae. Further care is taken at life members at different career stages are given equal opportunity. The IOS's International Observership Program Subcommittee carefully vets the applications and liaises with universities.

The visiting observers get an unparalleled opportunity to visit the clinical as well as teaching modules at these orthodontic departments. This helps in knowledge transfer when the observers come back to India and apply their new skills in teaching & clinical practice. The inviting departments/ universities do not levy any fee on the visiting life members. The program duration is normally for one or two weeks.

The visiting life members also presented a plaque of appreciation on behalf of IOS to Heads of orthodontic departments. For applications received in 2022-23, the following life members and the universities they visited are listed below:

University of Adelaide, Australia
Dr. Akhil Agarwal , Dr. Ajit Parihar

University of Western Australia
Dr. Saangetha Duraiswamy, Dr. Suvetha S. Dr. Arbab Anjum

University of Nagasaki, Japan
Dr. Harneet Kaur, Dr. Keerthan S.

WELCOME 2024

As we usher in the new year, here's looking back at a year filled with Flash Certification Programs, Flash Knowledge Forums and the Flash Conclave 2023.

Thank you for the year gone by and here's looking forward to an exciting 2024!

With our focus on Science & Service, Flash Aligners is proud to present Made in India Aligners.
