IOS Times Wishes
HAPPY
INDEPENDENCE DAY
15TH AUG

Reach us @ editoriostimes@iosweb.net

President's Message

Dear IOS Members,

I hope all are keeping safe in the splendid rains pouring all across the country.

As the saying goes "Learning never stops at IOS" we at IOS head office are trying to get you the best of the speakers for our online programmes viz. ALIGNER MASTERCLASS, Practice Management Series & Friday Rendezvous.

This month we had a series of physical events from hybrid EC meeting held at Ghaziabad on Sunday, 16th July which had important points to discuss and deliberate.

On 21st & 22nd July, the second Invisible Orthodontic Symposium was successfully held at Gitam dental college, Vishakhapatnam under the leadership of Dr. Sitaram Raju and Dr. Satish Kumar.

Two of the outstanding online IOS events viz. Innovation Conclave by the team lead by Dr. Sonali Deshmukh & her team relayed from DY Patil Dental College, Pune.

Another splendid online programme was the symposium on clinical case reports relayed from Katak, Orissa under the leadership of Dr. Suryakant Das & Dr. Ashish Barik.

My thanks to the esteemed speakers of different programmes for their time & support.

As we all know Manipur is facing tough times at present. IOS extends safety wishes for all our our fellow members at Manipur and nearby areas. We all pray for the early cessation of ongoing roits.

Dr. Balvinder Singh Thakkar
President, Indian Orthodontic Society

Secretary's Message

Dear Members,

I am happy to share that the month of July was brimming with a plethora of insightful content that reflected the spirit of learning, growth, and camaraderie that define our society.

In this issue, we are thrilled to highlight the numerous events that have taken place over the past month. Our society's commitment to education and knowledge-sharing has been on full display through a series of enriching webinars and workshops.

From cutting-edge techniques to innovative research, the Innovation Conclave held on 15-16th July provided our members with a platform to stay at the forefront of the field.

One of the highlights of this month was the successful completion of the 2nd Invisible Orthodontics Symposium held at Vishakapatnam which brought together experts, practitioners, and enthusiasts from across the country. The exchange of ideas, case discussions, and networking opportunities have undoubtedly contributed to the advancement of Invisible orthodontics in our society.

We also take pride in the various initiatives undertaken by our society for the members to improve their Orthodontic practice through the Practice Management series conducted every month with reputed speakers all over the country.

As we continue to adapt to the evolving landscape of orthodontics, let us remember that our strength lies in our unity. The contributions of each member play a vital role in shaping the future of our field. I extend my heartfelt gratitude to all those who have made the events of this month a resounding success.

Thank you for your unwavering support, and I look forward to another month of collaborative learning and growth.

Best regards,

Prof. (Dr.) Sanjay Labh

Hon. Secretary, IOS

Editor's Message

So here comes August ,with a new month comes new reflections. A new month always brings positive vibes with it and infuse new energetic souls in us.

In July we had the most awaited event the Innovation Conclave , were our members were able to glasscase there clinical innovations . We also witnessed the grand success of 2nd Invisible orthodontic symposium in Vizag ,we had a remarkable event the experience was overwhelming and worth appreciating . We are all set and delighted for embracing different activities and programs which are marshalled for the rest of the year .

Once again we are set to espouse some inspiration from our interview section ,and marvel from our Orthotainment section .

This is a month we celebrate Independence Day ,nothing is as good as living in an independent nation ,we feel proud to be part of a prosperous nation .We are all set to celebrate the national festival and salute the nation .

We extend our best wishes to all the members ..

Regards

Dr Santosh Ramegowda

DR. SATHEESH KUMAR REDDY The 'Honour' of Hyderabad!

Childhood Days

Dr. K. Satheesh Kumar Reddy was born on October 10th, 1961 at Kavali (Distt. Nellore), Andhra Pradesh. His father, Dr. Sekhar Reddy, is a renowned medical practitioner and mother, Mrs. K. Aruna, is a home maker. He belongs to a rural background of Andhra Pradesh. Dr. Reddy completed his schooling from Zila Parishad high school, Buchireddypalem.

The Dentistry Debut

As his father used to practice medicine, Dr. Reddy always wanted to go for the same stream only. "Honestly, I never wanted to be awake at all the nights" (smiles Dr. Reddy). And that is why he finally chose Dentistry. He did his BDS from prestigious Government Dental College, Hyderabad in the year 1980. After his graduation, he always wanted to opt for Oral Surgery. However, the post-graduation was not available for the particular subject in the institute; so he chose Orthodontics as he found it to be the most sorted out subjects in the field of Dentistry. As he was the topper of the state entrance exam, he went on to do his post-graduation in Orthodontics from the year 1985 – 1988.

Family Life

He is married to Mrs. K.L. Rajani who is an avid home maker. Both got blessed with a son named Mr. K. Mithilesh who is a successful engineer and an entrepreneur as well. His daughter in law, Mrs. Sneha, is also an engineer by profession.

His Role Models

He is truly indebted to Dr. P. Ramachandra Reddy who was his teacher and one of the senior most practitioners of Hyderabad. His guru, Dr. Ramachandra was the Honorary Dental Surgeon to the President of India. He feels whatever he is today; it's all because of his unconditional support.

Contributions & Achievements in IOS

He has been a life member of Indian Orthodontic Society. He admits that his contributions for the society are not much which can be enlisted. He was concentrating more at his clinical practice and he was actively involved in Government of Andhra Pradesh and Dental Council of India. Still in his limits, he did his best for the success of 50th Indian Orthodontic Conference as the Organizing Chairman (with the help of the entire organizing team). He has also been the President of Andhra Pradesh State Orthodontic Study Group for more than ten years.

Words of Wisdom for the youngsters

Any profession will have ups and downs during its due course. Some times will be good and others would be times of latency. He always feels that He is lucky enough to be an Orthodontist and after 35 years of his clinical practice, he still enjoys every minute of his clinical practice more than any other aspect of life. He honestly admits that being an Orthodontist, Orthodontics can't be compared with any other speciality as it has its own strengths. These strengths can be well experienced when an Orthodontist treats a growing child and the satisfaction of producing great results is unmatched.

Credentials

Dr. Reddy is one of the senior Orthodontists of Hyderabad. He has been into consultations and practice from the past 35 years. He is associated with academics and he has worked as the Director, Professor and PG Guide in the Department of Orthodontics and Dentofacial Orthopaedics, Sri Sai College of Dental Surgery – Vikarabad, Hyderabad. Dr. Satheesh Reddy had the honour of being Member, Dental Council of India for twelve years. He was nominated as a member (three times) of DCI by the Government of Andhra Pradesh. He was unanimously elected as member by Dr. NTR University of health sciences in the year 2009.

He was eventually elected as Executive Committee Member of Dental Council of India in the year 2010. Viz – a – Viz, he also happened to be the coordinator of the new website project of the council. He has been the mainstay in the Department of Health (Government of Andhra Pradesh State). He also happens to have worked as the CEO of Pacific hospitals Pvt. Ltd., Hyderabad. He is currently the VICE PRESIDENT of Dental Council of India and the President of Andhra Pradesh State Dental Council.

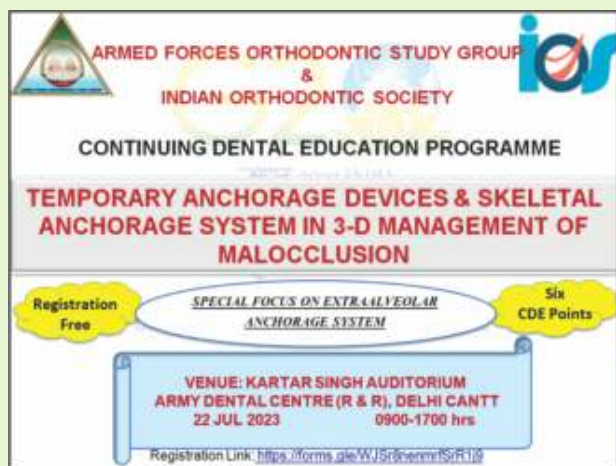

CLEAR ALIGNER SOLUTION

Armed Forces Orthodontic Study Group & Indian Orthodontic Society CDE on “Temporary Anchorage Devices & Skeletal Anchorage System in 3-D Management of Malocclusion” Army Dental Centre Research & Referral New Delhi 22 Jul 2023

Armed Forces Orthodontic Study Group organised an Indian Orthodontic Society endorsed one day continuing dental education programme on the contemporary orthodontic topic ‘Temporary anchorage devices and skeletal anchorage system in 3-D management of malocclusion’ at Army Dental Centre Research & Referral, Delhi Cantt.

This CDE program aimed to explore this contemporary concept of orthodontic anchorage with special focus on extra-alveolar anchorage like orthobone screws and skeletal anchorage system. Although, it’s important to embrace the contemporary it is equally important to thoroughly evaluate its positives & negatives, strengths & weaknesses and the best way ahead is to embark on a journey with experienced clinicians and academicians with extensive experience on the topic. This CDE programme offered this opportunity to the orthodontists of Delhi-NCR region and received the overwhelming response. The CDE was attended by over 100 delegates and 06 CDE points endorsed on behalf of DCI were awarded to all the delegates as e-certificates. The serving orthodontists of Armed Forces joined this educational extravaganza through Webex online platform.

Event Conception & Description

The event was inaugurated by Lt Gen Satish R Iyer, AVSM DGDS & Col Comdt AD Corps in presence of august gathering of distinguished orthodontic academicians, clinicians and post graduate residents from Delhi-NCR region. The prominent dignitaries in attendance were Maj Gen Vineet Sharma, VSM Additional Director General Dental Services, Maj Gen Balakrishnan Jayan Comdt & Comd Dental Adviser (CC), Dr Vinod Verma, Dr Tulika Tripathi, Dr SP Singh, Hony Sec IOS & Guest of Honour Dr Sanjay Labh, Lt Col NK Ahuja (Retd), Lt Col Anmol Kalha (Retd), Dr Tarun Kumar.

Event inauguration & Inaugural Address by Lt Gen Satish R Iyer, AVSM

Felicitation of Chief Guest & Guest of Honour

Delegates in attendance

The event was divided into three sessions; Inauguration and Keynote address, pre-lunch session and post-lunch session. The event opened up with keynote address by Dr Vinod Verma, an eminent orthodontist and speaker of international repute and he shared his experience of more than 50 years of exclusive orthodontic practice. The session was chaired by Dr Tulika Tripathi, Prof & HoD of prestigious Maulana Azad Institute of Dental Sciences, New Delhi.

Dr Vinod Verma's Keynote Address & Felicitation

Dr Aalok Puri, an eminent clinician and orthodontic consultant at Bethany Hospital, Shillong was the speaker for the second session. He shared his experience and extensive work on extraalveolar anchorage supported management of transverse, sagittal and vertical discrepancies in the north-east. The session was chaired by Dr Puja Khanna, Prof & HoD Jan Nayak Ch Devi Lal Dental College, Sirsa and Dr Vaibhav Misra, Prof & HoD DJ College of Dental Sciences and Research, Modinagar.

Dr Aalok Puri; Presentation & Felicitation

The final session was helmed by eminent speakers, Dr SP Singh Prof & HoD and Dr Raj Kumar Verma, Assoc Prof from Div of Orthodontics, Oral Sciences Health Centre, PGIMER Chandigarh. They presented their extensive work on Bone Anchored Maxillary Protraction for management of maxillary hypoplasia. The session was chaired by Dr Pradeep Raghav Prof & HoD Subharti Dental College, Meerut and Dr Priyank Rai, Professor Maulana Azad Institute of Dental Sciences, New Delhi. This was followed by screening of placement of skeletal anchorage system from Stryker Medical Devices and Equipments. The speakers and chairperson were presented with mementos and certificates

Dr SP Singh & Dr RK Verma session & Scientific interactions

This was followed by lunch and social scientific interactions.

Social & Scientific Interactions

The post-lunch session was dedicated to hands-on training workshop and postgraduate Quiz. Dr Aalok Puri in association with Ormco Orthodontics trained the delegates on use of infrazygomatic crest (IZC) and buccal shelf TAD's.

Dr Aalok Puri's workshop on extra alveolar TAD's

The post graduate quiz received overwhelming response with participation of six teams. The first prize was bagged by team from Maulana Azad Institute of Dental Sciences, New Delhi, second prize was won by PGIDS Rohtak and third prize to ITS Noida.

Post graduate Quiz; Quiz Masters Lt Col Akshay Waingankar & Lt Col Vivek Thakur

PG Quiz Prize distribution by Brig SS Chopra, Commandant ADC R&R

This was followed by prize distribution and Vote of Thanks by Brig Sukhbir Singh Chopra, Commandant ADC R&R. He placed on record the admiration for support provided by the O/o DGAFMS, Director General Dental Services, administrative staff of ADC R&R and Dept of Orthodontics in successfully organizing an event of this magnitude.

Vote of Thanks by Brig SS Chopra

Erkodur AL

ALIGNER SHEET

Erkodur-al PET-C (Copolyester) is-

- Crystal-clear
- viscoelastic-hard
- Break-resistant
- Comes with insulating foil
- Excellent dimensional stability.

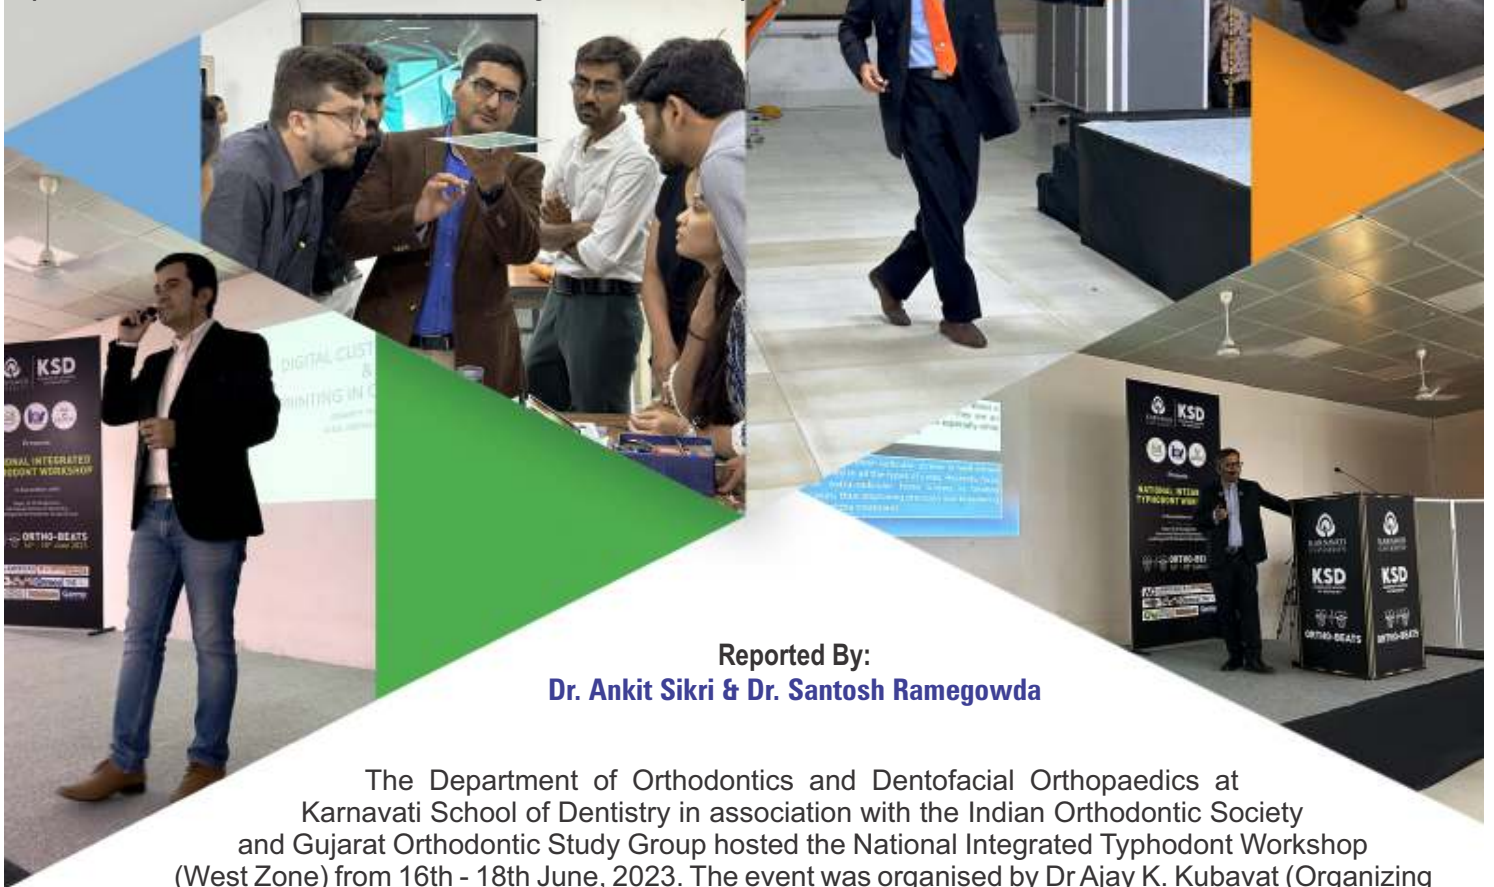

Erkodur-al (PET-C) is a foil material optimized for the production of aligners. Compared to the proven Erkodur (PET-G), the material is

- Approximately 35% softer
- Lower initial force and feeling of tension during insertion
- Due to the very flat memory loss curve, the effective force lasts comparatively longer

NATIONAL INTEGRATED ADVANCED TYPHODONT WORKSHOP

(Host: Karnavati School of Dentistry, Ahmedabad)

Reported By:
Dr. Ankit Sikri & Dr. Santosh Ramegowda

The Department of Orthodontics and Dentofacial Orthopaedics at Karnavati School of Dentistry in association with the Indian Orthodontic Society and Gujarat Orthodontic Study Group hosted the National Integrated Typhodont Workshop (West Zone) from 16th - 18th June, 2023. The event was organised by Dr Ajay K. Kubavat (Organizing Chairperson), Dr. Aakash Shah (Co – Chairperson), Dr. Alap Shah (Organizing Secretary), Dr. Dhaval Somani (Joint Organizing Secretary) and Dr. Rahul Muchhadia with the entire team including Dr. Anisha N. Prasad, Dr. Kinnari Shah, Dr. Bharvi Jani and Dr. Hemangi Raithatha.

The event was an unprecedented success, despite the horrendous cyclonic activity of Biparjoy. The program benefitted around 150 students from all across the western region. Eminent speakers from across the country shared their experiences both through the lectures and interactive Hands - on demonstrations. For the Hands - on sessions, all the students were provided with the material and instructions manual in a form of soft copy and the delegates were ably guided by experienced faculty as table instructors.

Day One – Dr. Vignesh Kailasam kicked start the event with Standard Edgewise lecture and Hands - on demonstration. The students enthusiastically participated in the first wire bending session of the event under his wing.

This was followed by the official Inaugural Ceremony of the Workshop with the felicitation of Indian Orthodontic Society office bearers and other eminent dignitaries on stage. The chief guest for the occasion was Dr. Deepak Shishoo, Eminent Physiologist and Ex- Vice Chancellor of Karnavati University. Dr. Balvinder Singh Thakkar (President, IOS) and Dr. Sanjay Labh (Honorary Secretary, IOS) shed light about the society's vision and various ongoing programmes which are being conducted from time to time.

Dr. Sanjay Labh and Dr. Sarvraj Kohli jointly lead the post inaugural session and gave phenomenal lectures on Segmental and Loop mechanics along with the hands on demonstrations. The most commonly used loops were explained and ably demonstrated along with their characteristics and functions.

Day Two – Dr. Mahesh Jain covered Roth mechanics in totality. After that, Dr. Jayesh Rahalkar shared his expertise in the MBT philosophy (both theoretical and practical). The students also got a golden chance to experience the bonding procedures under his able guidance. Dr. Dolly Patel went through as the next with her lecture and hands on session. She brought to light, the relevance of Begg's treatment scenarios in the current times. Live demonstrations by Dr. Mahesh Jain were the highlight of the day as he enlightened the audience about making of arch forms and auxiliaries.

The much awaited session of myofunctional appliances was conducted by Dr. Puneet Batra and that too in his usual charismatic style. All the students present there had the opportunity to see a live bite registration demonstration on a patient and the steps involved in the same.

The say concluded with the focus on current topics by Dr. Digant Thakkar and Dr. Dhaval Somani. Dr. Digant Thakkar led the students through the process of fabrication and also briefed about the limitless possibilities of 3D printing. Aligner biomechanics was lucidly explained by Dr Dhaval Somani.

Day Three started off with an exhaustive lecture on Self ligation by Dr. Pranav Chandrana. As the day progressed, a live session on face bow transfer (demonstration for orthognathic surgery) was conducted by Dr K.M. Keluskar. He thoroughly shared his knowledge and expertise on the subject. He ably briefed on to the treatment planning aspects. Then a session on Lingual Orthodontics was taken by Dr. Suryakanta Das. This was followed by lectures on Temporary Anchorage Devices by Dr. Ketan Vakil and Dr. Jeegar Vakil and this session ended with Dr. Aakash Shah elaborating on MARPE procedure.

Towards the conclusion of the event, Dr. Pranav Chandrana (on behalf of Gujarat Orthodontic Study Group) called it the day with his speech of Vote of thanks and it concluded three day long educational extravaganza.

THE Vth INDIAN ORTHODONTIC SOCIETY EXECUTIVE COMMITTEE MEETING (2022 - 2023)

The 5th Executive Committee meeting of Indian Orthodontic Society was held at Conference Hall, The Grand Palace Hotel, Indirapuram (Sahibabad, Uttar Pradesh) on July 16th, 2023 amidst the august presence of all the Principal office bearers & EC Members. The meeting started with the Honorary Secretary, Dr. Sanjay Labh adorning the jewels of the office on the President – IOS, Dr. Balvinder Singh Thakkar.

The President called the meeting to order and various agendas were discussed. All the matters pertaining to each and every agenda were discussed and deliberated upon by all the members. The agendas included in this meeting were:

- Extensive Representations mentioning the stand of Indian Orthodontic Society against the D2C aligner systems, were given to Indian Dental Association (IDA), Dental Council of India (DCI) and Ministry of Health
- Common policy document and regulation by the Dental Council of India (in reference to the IOS complaint), will be released soon for all these Aligner companies
- New public awareness video and posters released to create awareness about Orthodontics
- Present strength of IOS members (up to SLM 13,757) was approved
- Up to Life Member no. 5781 – the voting eligibility for upcoming society elections

The meeting concluded at 5 pm after the extensive and exhaustive deliberations.

IOS FRIDAY RENDEZVOUS

(July 7, 2023)

“Passive Self Ligation & TADs: The Perfect Combination”

Dr. Alberto Diaz Arellano (Peru, South America)

The lecture series “IOS Friday Rendezvous” entered the month of July with another phenomenal lecture. The online webinar was on the topic – “Passive Self Ligation & TADs – The Perfect Combination” which was held on July 7th, 2023. As many as 150+ virtual attendees were eagerly listening to a great topic which was well elaborated by Dr. Alberto Diaz Arellano from Peru (South America).

The inaugural ceremony was started sharp at 7 pm by Dr. Jitendra Bhagchandani where he welcomed the guest speaker, all the principal office bearers and the Executive Committee Members along with the other life members and student delegates.

The Welcome address was delivered by Dr. Balvinder Singh Thakkar (President, IOS) and it was followed by introductory remarks on the IOS Friday Rendezvous

lecture series. Dr. Sanjay Labh (Honorary Secretary, IOS) delivered his welcome speech to the keynote speaker, Dr. Alberto Diaz.

The speaker, Dr. Diaz, talked extensively about the combination aspects of both passive self-ligation and temporary anchorage devices. He considered this combination as a game changer in the biomechanical aspects of the field of Orthodontics. He show cased five different treatment procedures viz. Class II with Open Bite, Class I with Bimaxillary protrusion, retreatment of bimaxillary protrusion, Class III with severe crowding and Class II with generalized spacing. He inculcated this combination to treat various other types of cases also and also vouched for the self-ligation and TADs unit giving good results and better stability.

Towards the conclusion, a Q&A session was conducted by Dr. Ajay Kubavat and Dr. Jitendra Bhagchandani where Dr. Alberto answered all the queries and clarified the doubts of the delegates. It was such an interactive, half an hour session where the delegates asked questions as well as had a chance to listen to the speaker’s experiences towards his life and profession.

The concluding remarks along with the vote of thanks were delivered by Dr. Jitendra Bhagchandani. It was followed by a virtual sharing of the certificate of appreciation which was displayed on the screen by Dr. Anand Tripathi and it was virtually handed over to the guest speaker by Dr. Jayesh Rahalkar (President Elect, IOS).

PROFESSOR KHARBANDA HAS ACHIEVED A RARE DISTINCTION AT THE APEX MEDICAL ACADEMY

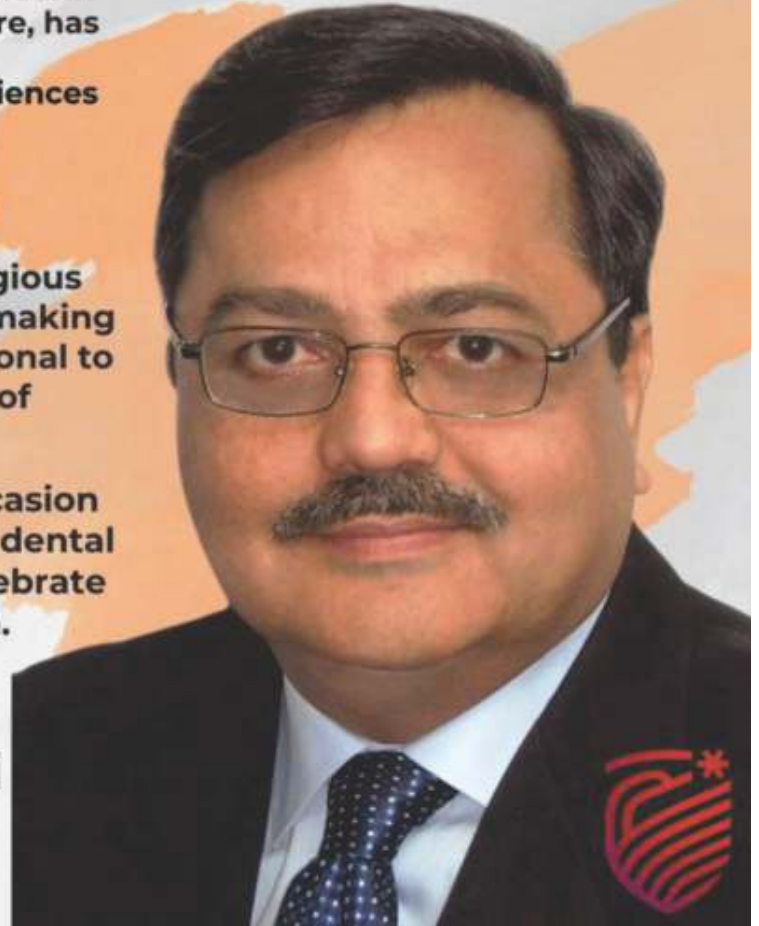

We are excited to share the news that Professor OP Kharbanda, the Pro Vice Chancellor of Health Sciences at Ramaiah University in Bangalore, has been elected as a council member of the esteemed National Academy of Medical Sciences (NAMS) in New Delhi. This is a significant achievement, and we take pride in his accomplishment.

Prof Kharbanda also holds the prestigious title of Professor Emeritus of NAMS, making him the first and only dental professional to receive this honor in the six decades of NAMS' existence.

This achievement is a momentous occasion for the Ramaiah University and entire dental community, and we are thrilled to celebrate this honour with Professor Kharbanda.

Prof. O P Kharbanda

PRO VICE CHANCELLOR HEALTH SCIENCES
RAMAIAH UNIVERSITY OF APPLIED SCIENCES

*HEARTIEST
CONGRATULATIONS!!!*

Prof. Om Prakash Kharbanda

Reported By: [Dr. Ankit Sikri](#) (Section Editor)

Prof. O.P. Kharbanda (Pro Vice Chancellor – Health Sciences, Ramaiah University of Applied Sciences) has been conferred with a rare distinction at the Apex Medical Academy. The whole Indian Orthodontic Fraternity feels proud of this moment. Heartiest Congratulations to Dr. O. P. Kharbanda.

IIIrd ORTHODONTIC INNOVATION CONCLAVE, 2023

IIIrd Orthodontic Innovation Conclave, 2023 is a brainchild of Indian Orthodontic Society which was initiated in the year 2020 with an idea of providing a forum for showcasing various innovations in the field of Orthodontics, both clinical and research oriented. The department of Orthodontics & Dentofacial Orthopedics of Dr. D. Y. Patil Dental College, Pune was given an opportunity to host this National IOS event on 16th July 2023. The program was conducted online with registration of 300 orthodontic delegates. The program commenced with a welcome speech from the Organising Chairman, Dr. Sonali Deshmukh.

The chief guest for the inaugural function was Hon'ble Trustee - Dr. Smita Jadhav, Vice Chancellor - Dr. N.J. Pawar & Dean - Dr. D. Gopalakrishnan. The inaugural ceremony was attended by all the Office Bearers & EC members of Indian Orthodontic Society, eminent Speakers & delegates.

The inaugural function started with adorning the jewels to Dr. Balvinder Singh Thakkar (President, IOS) by Dr. Sanjay Labh (Hony. Secretary IOS) followed by an invocation song, the IOS Video & lamp lighting. The welcome address was given by Organising Chairperson – Dr. Sonali Deshmukh. The glimpse of the scientific program was given by the Scientific Chairperson - Dr. Chaitra Mastud.

The program was addressed by President IOS - Dr. Balwinder Singh Thakkar, Hony. Secretary, IOS - Dr. Sanjay Labh, Guest of Honour - Dr. N. J. Pawar (Vice Chancellor, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune) & Dr. D. Gopalakrishnan (Dean, Dr. D. Y. Patil Dental College, Pimpri, Pune) & Chief Guest Dr. Smita Jadhav (Hon'ble Trustee, Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune). The Chief Guest declared free in cubation & mentoring to all the winners from the DPU Foundation & Entrepreneurship Centre. This center provides support to new ventures in their initial phases in terms of technology & knowledge by providing mentoring, networking, financial & acceleration support. The Vote of Thanks for the inaugural

function was given by Organising Secretary - Dr. Sachin Durkar followed by the National Anthem.

A total of six Keynote presentations were done by renowned speakers on different Orthodontic Innovations & methods of patents & grants. There were a total of 17 paper presentations from life members & student members from which four life members & two student members were declared winners for their presentations. There were a large number of participations in poster presentation category. The program was successfully concluded by the Valedictory function with the declaration of results & Vote of thanks by Scientific Chairperson - Dr. Chaitra Mastud.

FLASH UPDATES

We are excited to share that the Flash Case Compendium - Volume 3 is here.

Flash Case Compendium is a comprehensive collection of treated cases by Orthodontists like you, showcasing the blend of Science and Service in Orthodontics.

This Compendium stands as a testament to the effective application of Orthodontic science driving Clear Aligners. Our commitment to innovation, customer service and technological advancements has allowed us to deliver the best aligner experience for you and your patients.

We recently conducted the 8th Online Flash Certification Program and welcomed newly certified Orthodontists to the Flash Family.

This successful session added 52 new Orthodontists, bringing our pan India count to 2500. We are happy to partner with Orthodontists across India for their Clear Aligners Practice.

IIND INVISIBLE SYMPOSIUM, 2023

(Host: Gitam Dental College, Visakhapatnam)

The Department of Orthodontics, Gitam Dental College – Visakhapatnam, along with the Indian Orthodontic Society conducted “IInd Invisible Symposium” on the 21st and 22nd July, 2023 with the aim of reinforcing theoretical knowledge in the domain of Aligners and Lingual Orthodontics. The sole purpose of the event was to introduce to the participants, the current trends and possibilities through these new grounds of treatment options.

The symposium was graced by Dr. Balvinder Singh Thakkar (President IOS), Dr. Sanjay Labh (Honorary Secretary IOS) and Dr. Shailesh Shenava (Vice President IOS).

Renowned Keynote Speakers from all across the country were invited to speak at this symposium. Dr. Sanjay Labh, Dr. Padma Priya, Dr. Kavitha Iyer, Dr. Rekha Bharadwaj, Dr. Arun NAYak, Dr. Digant, Dr. Anshuman, Dr. Balaji Krishnan, Dr. Parameswaran and Dr. Dharmadeep who are at the forefront in the field of aligners and lingual orthodontics; spoke in detail about all the aspects involved from the commercially available aligner systems to setting up an in – house aligner system and also the new approaches in treating the complex cases.

Dr. D.S. Raju (Patron of the symposium), Dr. Chalasani (Chief Advisor), Dr. Y.N. Sasidhar (Organizing Chairman), Dr. N. Satish Varma (Organizing Secretary), Dr. T. Ujwala (Scientific Chairperson), Dr. Sudheer Bodetti (Treasurer), Dr. Abhishek (Logistics) along with the post graduates of the department worked well in tandem to make this event in success. This symposium was pre designed in such a way that overall learning was made possible for all attendees.

Dr. D.S. Raju (Principal, Gitam Dental College) kick started the course and welcomed all the resource persons and delegates. The curriculum was efficiently spread over two days of extensive learning.

The delegates attended this program from all over the country. Life members as well as the post graduate students from various colleges attended the symposium with great interest and enthusiasm. A total of sixteen papers and eighteen posters were presented by the delegates during these two days.

A feedback was obtained from all the participants and each one of them expressed immense satisfaction in the selection of resource persons and hospitality.

6th Bhubaneswar Orthodontic Study Group (BhOSG) Program

Bhubaneswar Orthodontic Study group (BhOSG) conducted its sixth program at SCB dental college and Hospital, Cuttack – Odisha on April 18th 2023. Dr. Rajesh Patil and Dr. Suryakanta Das were the guest speakers for the day.

Both the speakers gave an extensive insight into the topic of Temporary Anchorage Devices (TADs). The session comprised of live workshop along with patient demonstrations. It was a brilliant learning session and the clinical tips were very

enriching for the delegates.

(Prof) Dr. Suryakanta Das, Head of Department (Orthodontics) - SCB Dental College, was the mainstay of this event. He wonderfully pulled off this programme without any hassles. Dr. J.K. Das, Principal of the institution, encouraged the organizing team for conducting this event.

Dr. Ashish Barik, Dr. Smruti Nanda, Dr. Nivedita Sahoo, Dr. Pritam Mohanty, Dr. Bhagabati Dash, Dr. Mitali, Dr. Sunil Rath, Dr. Tushar Kanti Nayak graced the event with their august presence and helped in making it a success.
