The Official News Letter of Indian Orthodontic Society

Mangalore
Orthodontic Study Group,
Felicitating the President, IOS
Dr. Silju Mathew
and President Elect
Dr. Sri Krishna Chalasani

PRESIDENT'S MESSAGE

Wishing you all a Happy and prosperous New Year!

The first calendar event of IOS, Orthodontists Premier League(OPL), season 4, started with a lot of fan fair and gaiety. For the

first time it was played under flood lights and was a grand and colorful spectacle of mega proportions. With 16 teams from across the country participating, It had a carnival environment with teams being represented by both the genders. As part of our social commitment, we had invited athletes from Special Olympics Bharat to participate, honoring the MOU signed with them at the 54th IOC. The friendly match played with the IOS team was appreciated and well supported by the audience. Subsequently a dental cum Orthodontic screening was conducted for those athletes. It was also a great forum for public awareness with various activities and extensive coverage was given in social and print media.

As part of an innovative program, for the first time a National Orthodontic symposium called “Finish Line” was conducted by IOS to prepare the Postgraduate students for the MDS university examination. Although it was a limited attendance program, the overwhelming response was a challenge for the organizers, reflecting the urgent need to prepare the Postgraduate students to effectively face the examination. I thank the Organizers and the distinguished senior teachers who spared their precious time and energy to make this a grand success. The various member benefit programs announced in the vision document has received an overwhelming support by the members. I thank the members of the Member Benefit Committee for working hard to bring out the policy documents. The details of the first scheme of professional indemnity named “IOS PROTECT” is already uploaded on the website and I request all the members to enroll. The second life endowment policy, wherein on the demise of a Life member, the family is paid Rs Two lakhs, has been named “IOS CARE”, the policy document and application form with the nominee is also available on the website and I request all the members to register and avail the benefits.

The issues related to registration of the society at Vellore is progressing well, thanks to the efforts of the dynamic members at the Head Office and the Treasurer and we hope to resolve the issue soon. The official letter sent to the Dental Council requesting for permission to work on Curriculum revision has also received positive response and we hope to have the documents ready soon. Thanks to the efforts of the Research Council, the documentation procedure for Research Grant and its follow up has also been streamlined and made transparent. Apart from the International Exchange program, for the first time a National Postgraduate Exchange Program has been structured and planned. The process of selection and execution is in progress. This will facilitate students to observe, interact and learn from various prestigious institutions across the country to broaden their horizon of learning. The early bird offer for the IOS MidYear Convention at Bali has been extended to 31st January 2020, so that all those missed the opportunity can avail the offer.

With a packed IOS calendar of events and activities by various study Groups and institutions, we look forward to a year of knowledge dissemination, skill enhancement and professional excellence.

Jai IOS

Jai Hind

Dr Silju Mathew

President, Indian Orthodontic Society

SECRETARY'S MESSAGE

Respected IOS member,

This year started off on a positive note with the implementation of two important schemes for IOS members.

IOS Protect-A professional indemnity policy.

IOS Care- An IOS welfare scheme where the 54th AGM has earmarked a corpus for member benefit. On demise, the IOS would pay the nominee of the IOS member a sum of Rs.2 lakhs. This requires no MONETORY contribution from the members side but we do need the members to keep their contact details updated so that we can reach out to you for necessary details.

Details of the schemes can be found on page No. 12

STAY CONNECTED TO IOS

Update your contact and other details on www.iosweb.net. Members who find it difficult to do so may write to me at secretary@iosweb.net. If you get an email from iosoffice2019@gmail.com please do respond. This is an authentic office staff of the IOS trying to help you update your details.

In other news, the Calendar of events started with a bang with the OPL on 8-9th January in Bangalore. A special feature was the participation of athletes from SPECIAL OLYMPICS BHARAT. A screening camp was also conducted for them by the organizers of the OPL.

“Finish Line”, a programme for the exam going student was conducted in Indore on 24-25th January. The coming month, we look forward to the 24th PG student convention in Hyderabad and the 2nd executive committee meeting on 22nd February.

IMPORTANT

On 22-02-2020, the proposed election app will be put to trial between 2 pm to 4 pm in Hyderabad International Convention Centre (HICC). Any life member of the IOS who wishes to try it is welcome to do so.

Keep in touch and keep in good cheer!

Yours in IOS service,

Sridevi Padmanabhan

Hon.Secretary,IOS

EDITOR'S MESSAGE

Respected IOS Members,

Wishing you all a Wonderful New Year!

The New Year started with a Bang for IOS and it had been an active month for the IOS times Editorial Team, covering the events with complete Zeal.

This issue covers AGM of 2019 ,1st EC Meeting , IBO 21st IBO Convocation Ceremony & IBO Report, all three major IOS Head office meetings conducted at 54th IOC Bhubneswar.

The year opened with grandeur as the Bangalore Orthodontic Society conducted the The Orthodontic Premiere League with greater spirits and enthusiasm. The event was a big hit for this season too. The highlight of OPL 2020 was that Bharat Olympics- an NGO for developing Special Children towards athletics, made a grand entry with their special athletes playing along with IOS Members.

January 2020 would be etched in the history of IOS as two of IOS Member benefit Schemes were launched -“IOS PROTECT”&“IOS CARE”. Study Groups activities were on High Octane too. The Mangalore Orthodontic Study Group and Dental colleges of Mangalore had gathered together for felicitation of the Incoming President and President Elect as they conducted their own CDE program.

The Editorial Team was on toes covering the wide span of events for January and we are proud to release this January 2020 Issue.

Though, IOS constitution states that IOS times is a Quarterly issue and needs to be released once in 3 Months, considering the range and high volume of IOS activities our Editorial Team had decided to release IOS TIMES as a Monthly issue by 30/31st of every month. As the Editor of IOS Times, I should state that Iam gifted with a wonderful and dedicated team, making it possible for monthly Publications to class and perfection.

ios EXECUTIVE COMMITTEE OF
INDIAN ORTHODONTIC SOCIETY 2019-20

THE 1ST EXECUTIVE MEETING OF IOS ,2019-2020

As reported by Dr.SwatiAcharya, Section Editor

The meeting started with the Hon. Secretary (Secy) adorning the jewels of the office on the President, IOS, Dr.Silju Mathew.(Prez)

The president congratulated and welcomed all the EC members who had been elected to the EC and asked the new comers to introduce themselves.

The President discussed the calendar of events presented in the valedictory function. The Secy requested Dr.Kavitha to make a list of all international conferences to be put up on the website for the benefit of IOS members.

Details of tentative dates and locations for next meetings of the IOS were announced.

- 2nd EC meeting 22nd February 2020 ; Hyderabad
- 3rd EC meeting: 23rd May 2020 ; Vadodara
- 4th EC meeting: 30th August 2020 ; Chennai
- 5th EC meeting: 20th November 2020; Amritsar.

Various subcommittees were formed and the task outlined. The minutes of the EC meeting may be found on www.iosweb.net.

21ST IBO CONVOCATION CEREMONY & IBO REPORT

As Reported by Dr Kavitha Iyer, Section Editor

The Indian Board of Orthodontics founded in the year 1999 with the main objective to foster excellence in the practice of orthodontics by elevating the standard of clinical orthodontics throughout India, has grown into an active association with a total of 109 Diplomates on board till date. The 21st IBO Convocation Ceremony was held at the Bhubaneswar Convention centre on 22nd November 2019. It was a very ceremonious occasion with the procession of the newly passed Diplomates taking the IBO pledge as they got inducted into the prestigious board. Dr K.J.Lee, Professor, Yonesi University was the chief guest and he gave a very inspirational speech for the need to maintain high quality of orthodontic treatment to stay ahead in this competitive era. Dr Lee also mentioned about the role of digital orthodontics in the future, its advantages as well as its limitations.

A new Diplomates directory was released by the Chief guest Dr.K.J.Lee and received by the IOS President Dr.Pradeep Jain in the presence of Secretary IOS Dr. Sridevi Padmanaban. The Board would like to appreciate the efforts of Dr Vadivel Kumar for the same.

It was an overwhelming and encouraging response to note that 162 members took the Phase II exams and 17 took the Phase III exams. The candidates who successfully cleared the Phase III exams were; Dr.Nalluri Balarama Krishna, Dr. Sanjeev Verma, Dr. Shahistha Praveen D, Dr. Shobana Devi T and Dr.Ajit Kumar Jaiswal. Dr.Sanjeev Verma was given the prestigious Dr Prem Prakash award for the best case submitted. Dr Jayesh Rehalkar signed off as the Chairman after completing his successful tenure and gave way to Dr Ketan Vakil to take over, who pledged his best for the Board. Dr Salil Nene was inducted as the new Director of the board. The proposed activities of the board for this year would include the Diplomates meet at Mumbai on 29th March 2020 and two Awareness programmes at Ahmedabad and Mangalore. It has also proposed to formulate an Orthodontic index specifically to cater to the needs of the IBO to grade the difficulty of cases submitted for the Phase III examinations.

It is the primary goal of the IBO to encourage and motivate the members of the IOS to become Board certified and join the elite group of the Diplomates.

Dr Ketan Vakil- Chairman

Dr Vadivel Kumar-Vice Chairman

Dr Ashwin Mathew George-Secretary

Dr J.Rajaganesh Gautam-Director

Dr. Salil Nene-Director.

MEMBER BENEFIT PROGRAMS FOR IOS MEMBERS

As reported by Dr.K.Gnana Shanmugham, Joint Secretary

Indian Orthodontic Society was started in the year 1965 with an important objective to promote and safeguard the interests of the orthodontists in India. The management Committee of IOS over the years had put in a lot of thought and effort towards that direction and established a separate program for the members called the Member Benefit program of IOS (MBP-IO). The Committee on behalf of IOS had proposed two schemes for the members which were launched on 1-01-2020 after deliberations and approval at the 54th AGM.

Scheme 1:

IOS CARE – A MEMBER WELFARE PROGRAMME

This is a member welfare scheme where in the family of an IOS Life member gets a sum of rupees two lakhs as a fraternal contribution on the event of unfortunate demise of the member. The family of the deceased is paid this amount as a gesture of goodwill, a helping hand to the family and to send a message that IOS cares for its members. The Member need not pay any fees for enrolling to the scheme. The documentation part of the scheme shall begin very shortly and members will be communicated regarding the same. We request all IOS members to stay connected and keep their details updated on www.iosweb.net so that the IOS HO and Member benefit committee may contact you for necessary documentation and follow up.

Scheme 2:

IOS PROTECT- PROFESSIONAL INDEMNITY SCHEME

Orthodontic practitioners are increasingly becoming targets of civil suits for claims against unwary professional errors and negligent acts. To fight this malady effectively, IOS has launched "IOS- Protect" - Professional Indemnity Insurance for IOS Members. With "IOS-Protect" policy you are protected against acts that can go wrong during medical/dental care (including Orthodontic) as a result of which your patient is inadvertently harmed or perceived as harmed. It is a NECESSARY tool to financially safeguard medical practitioners against legal costs and claims for compensation by the patients in case of a legal row.

IOS has tied up with "The New India Assurance Company" for the Professional Indemnity scheme. The coverage shall extend to only members registered under the scheme. This Scheme involves an annual premium of a nominal amount (rupees 1077/member/year) specially negotiated for IOS members.

Sum assured

20 lakhs/year/member divided in to 4 incidents* of 5 lakhs each (AOA:AOY=1:4)

Steps for Enrollment

1. Visit IOS website (www.iosweb.net)
2. Download the Application form of IOS PROTECT
3. Transfer the premium amount online to the account mentioned in the application form.
4. Fill the application form completely and sign it.
5. Scan the duly filled application and send it to mbpofios@gmail.com to complete the registration process
6. The coverage starts only after the issuance of the master policy which will be intimated to the member. The coverage will be valid up to 12 months from the date of issuance of the master policy.

Request all members to avail this opportunity and enroll for IOS PROTECT and stay Protected. Kindly visit IOS website to know more about this scheme or contact the committee members for any clarification/assistance.

ORTHODONTIST PREMIER LEAGUE- IV

As reported by Dr.Swati Acharya & Dr Gaurav Gupta , Section Editors

“In war, Resolution, In defeat, Defiance, In victory, Magnanimity .“- Winston Churchill.

Perseverance and tenacity are often the foundational traits of success. When these are combined with dedication and teamwork, the result is outstanding. Sports events have always been an integral part of educational institutes through years immemorial. It’s a common knowledge that doctors have demanding schedules. Attending to each and every patient with the same level of attention and focus can be very stressful. This leads to longer hours, leaving time for little else. But, work doesn’t work without play.

Over the past 3 years Indian Orthodontic Society has taken the initiative to encourage the Orthodontists to step out from their packed calendar, actively participating in the Orthodontist Premier League (OPL), a whole new entity to bring about the most from the orthodontists to create public awareness about the common orthodontic problems and their treatment needs. Keeping up the tradition this year too, IOS conducted this very event in Krishnadevaraya College Of Dental Sciences on 8th and 9th of January 2020. The Organizing Chairman Dr .SantoshRamegowda who has been the corner stone of this mega event together with continued support from the most respected organizing members Dr. Silju Mathew, Dr.SrideviPadmanaban and the entire IOS family put on a spectacular display of courage, skill, hard work and brilliance through and through. Dr.Mahendra S and Dr.Vinay Reddy pulled out all stops to hold nothing back, making this event a grand success.

This year, to take it up a notch, Orthodontist Premier League – IV collaborated with Special Olympics Bharat. SO Bharat is a National Sports Federation accredited by Special Olympics Inc. to conduct sports and development programmes all over India. It organizes Olympic-type sports opportunities for persons with intellectual disabilities whilst also providing a full range of off the field activities and initiatives that are geared towards

supporting and improving the lives of people with intellectual disabilities. OPL- IV lifted the spirits of a team of intellectually disabled athletes to participate effectively and play with the orthodontists. These athletes were given a free dental screening and are promised for chargeless orthodontic treatment as well.

On the first day, the event commenced with the inaugural ceremony graced with the organizing members followed by the oath taking where all the players solemnly pledged to uphold the spirit of true sportsmanship. It was followed by the exhibition match played by the orthodontists and the athletes from SO Bharat. 40 other matches were played in full swing on the same day by orthodontists, participating from across the country. 28 matches were played on the next day of the event. All the teams gave in their very best on both days.

The 2nd runner up of this event was bagged by Bapuji Dental College and Hospital, Davangere. The runner up of this event was Coorg Dental college, Virajpet. But, victory belongs to the most persevering. VokkaligaraSangha Dental college and Hospital, Bengaluru consecutively won 10 matches to walk off with the First Prize in Orthodontist Premier League -IV, 2020. The day was filled with exciting victories and near misses by all teams. Finally, all the players and organizing committee members gathered together to appreciate the winners and proved their true sportsman spirit. All in all, with pictures being clicked with homies, hip hiphurrays ,laughters and more, an event like this brings back all the memories until next time, when we meet again

ORTHODONTIST PREMIER LEAGUE - IV

FROM THE DESK OF THE ORGANISING COMMITTEE

This is a formal letter on the detailed event of OPL IV conducted on 8th and 9th of January 2020.

The event was conducted in the Krishnadevaraya College of Dental Sciences cricket grounds spread over a sprawling 133 acres. The highlight of the event was the participation of sixteen special Olympics children from SO BHARATH. Dental screening was done for them followed by treatment to those required. They played an exhibition match and were part of the tournament. Sixteen teams participated from all across India for the tournament. It was a two-day event with FLOOD LIGHTS followed by a grand banquet. This OPL was the first ever event that conducted floodlight matches. The tournament was organised under the most able leadership of Dr. VINAY REDDY PHOD OF ORTHODONTICS KCDS,, Dr.SANTHOSH RAMEGOWDA THE ORGANISING CHAIRMAN S THE ORGANISING SECRETARY , Dr.ARUN AV THE TREASURER, and many others. along with the most dedicated Post graduates, interns and students of KCDS who worked tirelessly for about fifteen days for the event to function smoothly and be a grand success. The logistics and conducting the tournament on ground was managed by Dr. BALAMOHAN SHETTY of KCDS and Dr.SHASHANK of VS Dental College. The prize winners of the tournament were Second runners up: BAPUJI DENTAL COLLEGE, Runners up trophy: COORG WARRIORS and the Winners of OPL - IV was THE BALLISTA BENGALURU. Best batsman FEMALE:Dr. Sanshavi of Coorg Warriors,Best bowler FEMALE: Dr. Pooja of Ballista Bengaluru,Best batsman MALE:Dr. Shashank of RV Dental college,Best bowler MALE:Dr. Naufel of Coorg Warriors, Best fielder: Dr.Rezeen of Coorg Warriors, Man of the match :Dr. Ajith of Ballista Bengaluru , Man of the series: Paramesh of Ballista Bengaluru . The event ended well with fond memories and new friends to relish with.

Thanking you,

Your's sincerely,

Organising committee OPL-IV,KCDS.

CDE PROGRAM AND FELICITATION TO PRINCIPAL OFFICE BEARERS OF INDIAN ORTHODONTIC SOCIETY ABSMIDS, MANGALORE

Dr Sandeep Singh , Section Editor

CDE Programme entitle “Demystifying Transverse Correction” was conducted by the Department of Orthodontics and Dentofacial Orthopaedics, A.B.Shetty Memorial Institute of Dental Sciences, Mangalore in Association with A.B.Shetty Ortho Alumni on 15th January 2020. Prof. (Dr.) Ajit Kalia, Head of the Department of M.A Rangoonwala College of Dental Sciences and Research Centre, Pune was the Resource Person.

Professor Kalia held the Audience of over 150 Post-graduates Orthodontic Department and Staff of Dental Colleges from various parts of the State as well as neighbouring State of Kerala in rapt attention with his thought-provoking lecture. The talk was extremely thorough, informative and described various emerging modalities for the collection of transverse discrepancies – a topic of immense clinical relevance.

Following the Lecture, Prof. (Dr.) Silju Mathew, President, Indian Orthodontic Society and Prof. (Dr.) Srikrishna Chalasani , President elect Indian Orthodontic Society were Felicitated by the Principal & Dean, Faculty and Postgraduate Students of the Department of Orthodontics, A.B.Shetty Memorial Institute of Dental Sciences in the presence of Dr. Akhtar Husain and other Senior Faculty Members and Heads of various Orthodontic Departments in Mangalore and in around.

Prof. (Dr.) Silju Mathew, an Alumnus of ABSMIDS, reminisced his joyful days in the Department of Orthodontics as he addressed the gathering.

Prof. (Dr.) Nillan Shetty, also an Alumnus of ABSMIDS, was felicitated for his much deserved elevation to the post of Principal of A.J. Institute of Dental Sciences, Mangalore

Prof. (Dr.) Siddharth Shetty, Head of the Department of Orthodontics, MCOB’s Mangalore and Dr. Arjun Nayak U S were felicitated for their fantastic achievement of being elected to the ranks of the Executive Committee Member of the IOS.

The Programme was organized at ABSMIDS under the able guidance and patronage of Prof.(Dr.) U.S.Krishna Nayak, Principal & Dean, Past President of Indian Orthodontic Society and Prof. (Dr.) M.N. Kuttappa, Hon’ble Secretary of the A.B.Shetty Ortho Alumni.

MOSG CDE PROGRAM ON 15TH JANUARY 2020.

The Mangalore Orthodontic Study Group conducted a CDE Program at the Mangalore Club on 15th January 2020. The Resource Person was Prof. (Dr.) Ajit Kalia, Head of the Department of M.A Rangoonwala College of Dental Sciences and Research Centre, Pune.

Prof. (Dr.) Kalia captivated the Audience with his Clinical discourse on the interesting topic of Molar Distalisation using Skeletal Anchorage. The Audience of over 100 comprised of Practicing Orthodontists and Academicians from Mangalore and surrounding places including Orthodontic Postgraduate Students.

After the CDE Program, the President of the Indian Orthodontic Society Prof. (Dr.) Silju Mathew and President Elect, Indian Orthodontic Society Prof. (Dr.) Srikrishna Chalasani, both of whom had their Dental and Orthodontic Education in Mangalore at A.B.Shetty Memorial Institute of Dental Sciences and Manipal College of Dental Sciences respectively were felicitated by all the Members of Mangalore Orthodontic Society Group.

The Honors were carried out by the Principal & Dean of ABSMIDS, a Titan amongst Orthodontists, Prof. (Dr.) U.S.Krishna Nayak along with other Orthodontists like Prof. (Dr.) Nillan K Shetty, Prof. (Dr.) Rohan Mascarenhas, Prof. (Dr.) M.N. Kuttappa, Prof. (Dr.) Siddharth Shetty, Prof. (Dr.) Ashutosh Shetty and other Members of the MOSG.

The CDE Program was a grand success as a result of the hard work of Dr. Nandish Shetty, Dr. Akhil Shetty and Co-ordinators of MOSC.

Dr. Arjun Nayak U.S. EC Member Indian Orthodontic Society and Co-ordinator of the Mangalore Orthodontic Study group compered the Program.

“Lingual Orthodontics Workshop”

by

HITKARINI Dental College and Hospital, Jabalpur

- Dr SandeepSingh , Section Editor

Department of Orthodontics and Dentofacial orthopaedics, HITKARINI Dental College and Hospital, Jabalpur hosted a Lingual Orthodontics workshop "Demystifying the art and science of Lingual Orthodontics", from 14th - 16th December 2019 under the mentorship of Dr. Suryakant Das. This workshop was lead under the able guidance of Dr. TarulathaShyagali and the faculty of the department.

The workshop consisted of 3 days' lectures and complete day hands on sessions. One to one interaction with the key speaker and delegates was fruitful exercise in teaching and learning process of

lingual

orthodontics. Also, the lectures were followed by hands-on courses which gave a good working experience to the delegates. Students from all over India participated and benefitted from the same.

This was followed by a gala celebration in honour of the speaker and was enjoyed by all the delegates. The overall response from the delegates side and speaker's enthusiasm made the entire event a huge success. All thanks to Dr.TarulathaShyagali, Prof. And HOD and her highly esteemed team of doctors who put in their uniting efforts for the successful management of the event.

ORTHODONTIC FINISH LINE, A TWO DAYS NATIONAL SYMPOSIUM HELD ON 24TH AND 25TH JANUARY 2020 AT SRI AUROBINDO COLLEGE OF DENTISTRY, INDORE(M.P.)

- Dr Sandeep Singh , Section Editor

Orthodontic Finish Line, a two days National Symposium held on 24th and 25th January 2020 at Sri Aurobindo College Of Dentistry, Indore(M.P.) was brainchild of our President of IOS, Dr. Silju Mathew Sir, was a grand success. This Symposium was organized by Department of Orthodontics and Dentofacial Orthopedics of Sri Aurobindo College Of Dentistry under the aegis of Indian Orthodontic Society for the first time in India. This symposium was headed by Organizing Chairman- Dr. Ashish Garg and his team Dr. Rakesh Thukral, Dr. Amit Tripathi and Dr. Sunita Marothiya and was attended by 86 delegates from over 20 colleges across India.

The theme of this event was Precision, Preservation & Perfection. The aim was to orient the post graduate students for their final examination and give them an insight about how to prepare and appear in both Final M.D.S. theory and practical examinations.

At Orthodontic Finish Line Symposium, the galaxy of orthodontic stalwarts and eminent speakers from across the country shared their expertise on orthodontic post graduate curriculum and ignited the minds of exam going Post Graduate students so that they can perform best in their exams.

In the two-day symposium, the lectures conducted by various faculties guided the students for their exams. The participants were also given CDs containing all the lectures and question bank for their future reference and better.

On day 1, Dr. Silju Mathew, Dr. Sandhya Jain, Dr. Ajay Kubavat and Dr. Sridhar Premkumar shared their experience on how to prepare and write in theory exam. This was followed by the lecture of Dr. Puneet Batra on Functional Case Examination and on Appliance Fabrication, Delivery and Instructions. After this, Dr. Jayesh Rahalkar along with Dr. Kiran Kumar gave their views on Presentation of 5 finished cases during the practical exams. Then the Inaugural Ceremony was held in the evening which was accompanied by Dr. Vinod Bhandari (Founder Chairman SAIMS) as the special guest. The dignitaries were felicitated by fruit baskets which were later on distributed among the poor patients of the hospital for a noble cause. The E-manual of the Symposium in the form of Digital C.D. was also revealed at the function as we are heading towards digitization of I.O.S followed by inaugural dinner.

On day 2, Dr. Puneet Batra and Dr. Ashish Garg taught about Basics of Bonding and Viva, followed by the lecture by Dr. Madhan B about Finishing Wire along with the

video demonstration of Atypical Bonding by Dr. Ashish Garg. The next lecture was taken by Dr. Sridevi Padmanabhan on Long Case Discussion followed by Dr. Mala Ram Manohar on 'Pedagogy'. Then the concluding Grand Viva- Voce was conducted by Dr. Girish Karandikar, Dr. Anand Patil and Dr. Siddharth Shetty on Panel Discussion, Role plays, Common Errors and how to overcome and come out of Grand Viva victorious. It was followed by the Valedictory function in which the four most proactive delegates:

1. Monica Ahuja- Sharad Pawar dental College, Pune
2. Nikita Modi, GDC, Jaipur
3. Hariharasudan J- GDC, Chennai
4. Parth Adhikari- Manubhai Patel Dental College, Vadodara

were awarded with book "Orthodontics: Diagnosis of & Management of Malocclusion & Dentofacial Deformities" written by Prof(Dr.) Om. P. Kharbanda by Chief Guest of the Valedictory Function- S.P. of Indore Mr. TK. Vidyarthi(IPS).

The symposium was greatly appreciated by all the guest speakers and the delegates regarding the vast knowledge and skills they acquired through this symposium and also about the hospitality of the event.

This program was endorsed by Indian Orthodontic Society and we express our heartfelt thanks to the honorary secretary of IOS, Dr Sridevi Padmanabhan and the president of IOS Dr Silju Mathew. We wholeheartedly thank the IOS for endorsing the CDE program and guiding us in conducting the event.

We also thank Dr Raj Kumar Alle, the president of Karnataka State Dental Council for allocating 6 CDE points for the 10 hour CDE program.

The event was a success due to the support of the Management, Principals Office, Team effort of Department Staff / Post Graduates and the delegate's participation. The student response in the feedback forms has been an appreciation for the entire event with an overall score of 3 (0-4) for the entire program.

Dr. Sangamesh B.
Professor and Head
Department of Orthodontics and Dentofacial Orthopedics
AME'S Dental College and Hospital, Raichur, Karnataka

EVIDENCE BASED ORTHODONTICS

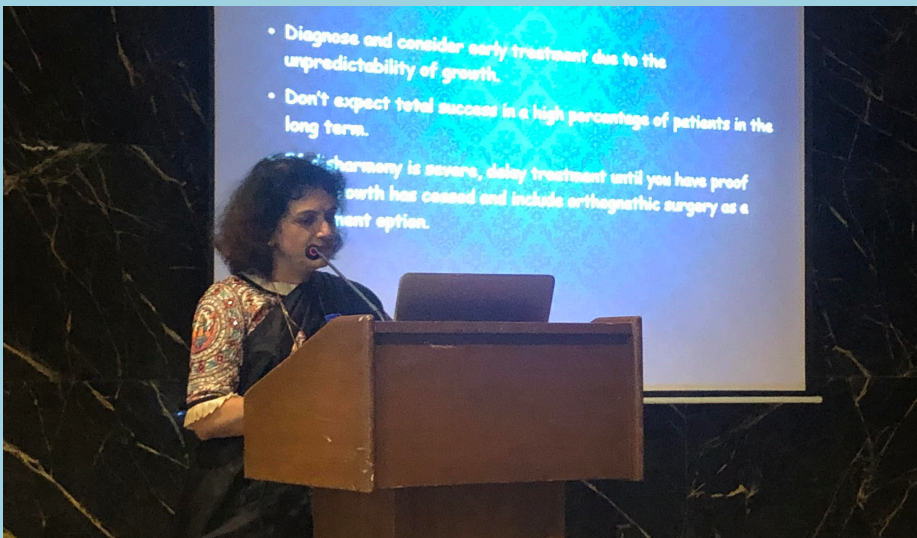

Symposium by Pune Orthodontic Study Group

On the 22 of December 2019, POSG conducted a symposium on EVIDENCE BASED ORTHODONTICS. The program began with Dr Shirang Joshi delivering the welcome address following which there were a series of lectures by Dr NR Krishnaswamy , Dr Gauri Vichare and Dr Umal Doshi on Evidence Based Orthodontics. Dr Gaurav Gupta proposed the vote of thanks and also thanked the sponsors Orthomatrix and Smile Aligners for their support.

The program was once again very well attended with over 40 practicing Orthodontists and 50 post graduate students from in and around Pune.
