PRESIDENT'S MESSAGE

Dear Members,

It was one gratifying month full of activities.

On 7th May IOS Practice Management Virtual deliberation was given by renowned Speaker Dr. Bhavdeep Ahuja. His command on ethics in Orthodontics was praised by all who attended the same.

The national Typhodont workshop (south zone) held at SRM Dental College under the leadership of Dr. C. Deepak & Dr. Dheena Dayalan was a treat to all the post graduates who could gain hands on experience from the experts.

On 15th May, Indian Orthodontic Society Members celebrated World Orthodontic Health day in which first five best decorated departments were recognised by IOS.

There were orthodontic awareness lectures in schools and colleges, poster competition, cyclothon all across the country with great enthusiasm.

The most awaited & show stopper of the events was the ALIGNER MASTERCLASS with speakers of International Repute who with all their efforts made it a blockbuster event. Thanks to first three speakers Dr. Gauri Vichare, Dr. Rohit Kulshrestha & Dr. Amit Sachdeva for their selfless efforts.

We have a total of 23 lectures on all different aspects to understand the science behind Aligners.

This month ended with the first ever National Advanced Typhodont workshop held at Modern Dental College, Indore under the leadership of Dr. Ashish Garg and Dr. Amit Bhardwaj which was a landmark event of IOS in the central India.

Looking forward to another month of activities in coming months with cooperation from all our members.

Jai Hind, Jai IOS..!!!

Dr. Balvinder Singh Thakkar

President, Indian Orthodontic Society

SECRETARY'S MESSAGE

Esteemed members of IOS

I hope this message finds you all in good health and high spirits.

We had a plethora of events held in different zones of the country for all specially for postgraduates in the month of June.

The first calendar event of June commenced with the South Zonal PG convention held in Salem which was well organized and conducted in a grand manner.

National Typhodont Workshop held at Indore received a great response from the postgraduates and was organized with strengthening the basics and providing insights about the latest technology.

An insight into TADs was provided with the OrthoGedi: A TADs Extravaganza held at Amritsar by a number of reputed speakers.

IOS Friday rendezvous this month featured eminent speaker Dr Sergio Valverde from South America talking about Smile Esthetics. This program was attended by large group of audience and was well received and appreciated

Thank you for your continued support, dedication, and commitment to our shared vision.

Together, we will continue to achieve new heights.

Wishing you a productive and fulfilling month ahead!

Warm regards,

Jai IOS, Jai hind

Sincerely

Prof. (Dr.) Sanjay Labh

Hon. Secretary, IOS

EDITOR'S MESSAGE

A guarantee of rain always comes with a promise of sun, in weather and in life.

Here comes July and we had a power packed June with different activities gearing up the 2023 zeal . In the month of June we had the most awaited 2023 Zonal Pg convention @ Salem. It was one of the best organized zonal convention we could ever had.

Next we had the National tyodont workshop in the beautiful city of Indore, we were touched by the heartwarming hospitality .We also had the Ortho Gedi-A TAD'S Extravaganza in the holy city of Amritsar. A perfectly balanced event full of knowledge and fun .

With some major programs successfully crisped and browned in June, we wait for yet another upcoming radical events in the upcoming months. There is always some inspiration to guzzle from our interview section and some inspiration, fervour, valor and wonder from our Orthotainment section .

Rain reminds us that we cannot stop what can't be stopped. The world will turn, the seasons change, the rain falls, and life goes on.

We wish all the members relish the season and make use of July most wisely and fruitful way....

Regards

Childhood Days

Dr. Kalyani Trivedi was born on 2nd March in Ahmedabad (Gujarat). Her father, Late Mr. Mahesh Trivedi, was a pioneer of blood donation and Thalassemia movement in the country. Her mother, Dr. Kunj Bala Trivedi, is a PhD scholar and a renowned social worker. She has two younger siblings Mr. Amit Trivedi and Mrs. Arti Venkatesh with whom she spent her childhood days. She did her schooling from prestigious Sharda Mandir School, Ahmedabad. Alongside being bright in academics, she also excelled in music and fine arts.

The Dentistry Debut

Coming from a family who had its roots in subject of medicine, she was furthering the legacy of her family by pursuing Dentistry. She did her BDS from Government Dental College, Ahmedabad (1983 – 1988). She was a topper in the university examination so in that era, it was a natural trend for the toppers to opt for subject of Orthodontics. She went to do her Masters from the same college from the year 1989 to 1991.

DR. KALYANI TRIVEDI

The 'Iron Lady' of Gujarat!

Interviewed by:
Dr. Ankit Sikri
(Section Editor)
@ Paldi, Ahmedabad

Interview (Virtual):
Dr. Santosh Ramegowda
@ Zoom Platform,
Bengaluru

Family Life

She met her husband when she was doing her post-graduation in Government Dental College, Ahmedabad. He was posted in Ahmedabad as a young captain in the Indian Army. Eventually, she got married to Colonel Deepak Mahamunkar on 10th February, 1992.

Later, the couple was blessed with a son, Vyom. He happens to be a film editor by profession and also a successful author. His maiden novel, a mythological thriller, was launched recently this year.

Credentials

Her husband was posted in Commando Training Centre, Belagavi (Karnataka) so she picked up a job at K.L.E. Dental College immediately after completion of her master's degree in the year 1992. As the post-graduation had just started in that college, she played a primary role in developing the department. Her stay in Belagavi as well as the work in KLE Dental College was a wonderful learning

experience where she had the opportunity to work with stalwarts like Dr. A.B. Modi, Dr. Dholakia, Dr. R.P. Naik, Dr. Bhavir to name a few.

She worked in KLE Dental College till the year 1995 and then went on to take a break from academics for five years to look after her son. After this pause, she moved to Udaipur (Rajasthan) and restarted her career as a Consultant Orthodontist. Eventually, she also joined Darshan Dental College and worked for good decade, developing the department and

the college where she went on to become the Principal. After a successful tenure as Principal, she came back to her hometown, Ahmedabad in 2009. She then joined Karnavati Dental College as Vice Principal and Head of the Department till the year 2021 where she pioneered the development of the course and the department. Now, she is running a successful private practice at Ahmedabad. She is a tough teacher who sets impossible targets for her students but loves them like her own.

Her Role Models

Although she considers her father to be her role model, she claims to have been inspired by multiple people throughout her journey. She is indebted to Dr. N.R. Daruwala who was her guide in post-graduation, Dr. Birte Melsen and Late Dr. Sable. They taught her dedication and passion for the profession and how to approach life.

Contributions & Achievements

She served as the Honorary Treasurer of IOS from the year 2002 – 2006. She also served as an Executive Committee Member of Indian Orthodontic Society from the year 2012 – 2015. She has had the honour of serving as President of Indian Dental Association (Ahmedabad Branch) in the year 2006 – 2007. She had a wonderful stint being the Organizing Secretary of 48th Indian Orthodontic Conference which was held in Ahmedabad in the year 2013. Despite all odds, she worked tirelessly to make it a huge success.

In her capacity as Blood Donation Coordinator, she takes an active part in Indian Red Cross Society activities with the main focus on promoting voluntary blood donation and awareness. She is doing so to continue her father's lifelong mission.

She is a versatile artist who can paint; a trained classical singer and a Bharatanatyam dancer. She has been successful in conducting a lot of painting exhibitions. She was also invited to the United Kingdom by Vedic Society, to perform Bharatanatyam dance workshops. She also conducted a workshop on 'Abhinaya' at the London University School of languages.

Words of Wisdom for the youngsters

Orthodontics is a very unique subject. The person not only learns to put brackets and wires but the wonderful subject also finds applications of all branches of science. This is what makes you a great clinician and a unique personality altogether.

Excellence should be your aim and you should be your own critic. Every time you should push yourself to do better. One should try pushing oneself towards path of perfection. Never ever one should get complacent or satisfied by achievements.

Life's motto should always be, 'Learning never ends'

Dr Amanish Singh Achievements

Dr Amanish Singh Principal, Hod of Dept of Orthodontics of Adesh institute of Dental science, Bathinda is 1999 batch alumnus of MR Ambedkar dental college ,Bangalore is a multi-talented, Clinician, Teacher, Reformer, Orator, motivational speaker, writer, poet and lot more He has now added new feather in his cap as an actor.

Recently he was shooting for an OTT based Hindi film.

Study Group Events

J&K establishes its first ever Orthodontic study group

In a remarkable event, J&K has formed its first ever study group (JOSG) under the kind guidance of Dr Akshay Gupta (Prof. & Head) Department of Orthodontics, IGGDC Jammu. The inauguration ceremony was facilitated by the presence of Dr. Rajni Kanth, Dean Research, University of Jammu; Dr. Romesh Singh, Ex Principal IGGDC, Jammu, Dr.Parveen Lone, Prof & Head, Department of Oral Surgery, IGGDC, Jammu & Dr Sukhdeep S Kahlon, Prof & Head, Department of Orthodontics, Guru Ramdas College, Amritsar.

Prof. Rajnikant graced the occasion as the chief guest, he promised to extend every possible facility for the research & academic activities to be held by the group in the future. Dr Gautam Mengi (Ex Principal IGGDC, Jammu) in his telephonic message conveyed his best wishes & blessings to JOSG. Dr. Sanjay Labh, Hon. Secretary IOS & Dr. Balvinder Thakkar, Ho. President, IOS also graced the occasion virtually. Both of them extended their full support to

JOSG & highlighted the importance of such study groups. They said that IOS is always looking forward to such endeavours from their members and how such efforts take our branch, Orthodontics a notch higher. Dr Rakesh Gupta (Principal & Dean, IGGDC) emphasized the importance of such study groups & encouraged the members to have such great events in the future as well.

The event was organized on 14th May 2023, a day prior to **“World Orthodontic Health Day”** at Hotel Raddison Blu, Jammu. The event was a huge success & received recognition & appreciation from everybody. All of which was only possible because of the hardwork & persistence of Dr Akshay Gupta. He addressed the occasion and explained that he wants to bring all the Orthodontists under one umbrella i.e JOSG, he with the help of his colleagues wants to take Orthodontics to the grassroots level and educate people about the benefits of this branch of Dentistry. Organizing PG Conventions, Conferences, awareness camps, rallies, plantation programmes, helping under privileged students are some of the objectives under his consideration.

The event was graced by orthodontists from different areas of the state & a remarkable total of 28 new members namely Dr Akshay, Dr Iqbal, Dr Rishab, Dr Simran, Dr Rohit, Dr Abhimanyu, Dr Aseem, Dr Aarti, Dr Tanushree, Dr Anur, Dr Madhav, Dr Nikita, Dr Aditi, Dr Manjeet, Dr Faisal, Dr Vikas, Dr Vidushi, Dr Sakshi, Dr Tanika, Dr Jasleen, Dr Guneet, Dr Sumit, Dr Yasir, Dr Ajaz, Dr Monika, Dr Reyaz, Dr Ahtesham & Dr Anurag joined the study group on that very day. All the guests appreciated Dr Akshay's initiative & promised their full support in whichever way possible. The members of JOSG plan on meeting periodically & discussing different cases, their diagnosis, treatment planning, case reports, latest advancements, newer research and different academic topics.

Dr Sukhdeep S Kahlon was kind enough in sparing his time & discussing Management of Cleft Lip & Palate with all the attendees. He showed various cleft cases done by himself and elaborated their management in all the stages of dental development and thereby making the event a great success.

Orthodontic Study Group launched in Jammu

Excelsior Correspondent

JAMMU, May 14: Jammu Orthodontic Study Group (JOSG) was officially launched on the occasion of World Orthodontic Health Day celebrations here.

The event was organised by Dr Akshay Gupta, Professor & Head Department of Orthodontics, Indira Gandhi Govt Dental College Jammu.

Indian Orthodontic Society (IOS) is having more than 5500 members across the country and there are 44 Orthodontic Study Groups in 16 States and 3 UTs. JOSG becomes the 45th Study Group, recognized by Indian Orthodontic Society and the first and only study group of the J&K UT.

Prof Rajnikant (Dean research University of Jammu) graced the occasion as chief guest. He along with Dr Romesh Singh (Ex Principal IGGDC Jammu), Dr Parveen Lone (Incharge Principal IGGDC Jammu), Dr Akshay Gupta and other founding members officially inaugurated the JOSG at this event.

JOSG is a group of Orthodontists who are passionate about advancing their knowledge and skills in the field of Orthodontics.

Dr Akshay Gupta, in his welcome address, informed that JOSG has now become the first and only eligible group to conduct national & international events in the future in J&K.

Prof Rajnikant addressed the event and promised to extend every possible facility for the research and academic activities to be held by the group in the future. Dr Goutam Mengi (Ex Principal IGGDCJ), in his telephonic message, conveyed his best wishes to the JOSG.

Dr Parveen Akhtar Lone, in her address, highlighted the journey of Dental health education in Jammu and the tireless and sincere efforts of Dr Akshay Gupta for spreading awareness among the people of Jammu about orthodontics and its role in improving quality of life.

Dr Rakesh Gupta (Principal and Dean IGGDC Jammu) emphasized the importance of study groups and encouraged the members to have such great events in the future.

Dr Balvinder Singh Thakkar, President IOS and Dr Sanjay Labh, Secretary IOS addressed the audience.

CME programme was conducted by Dr Sukhdeep Singh Kahlon (Prof & Head Department of Orthodontics Shri Guru Ramdas Dental College & Hospital Amritsar) on the topic "Management of Cleft Lip and palate patients".

Co-founder members namely Dr Iqbal Singh, Dr Rishabh Gupta, Dr Abhimanyu Rohmetra, Dr Rohit Gupta, Dr Anur Gupta, Dr Aseem Sharma, Dr Tanushree, Dr Simran Kour, Dr Arti Devi, Dr Nikita Gupta, Dr Madhav and Dr Aditi Sharma were present on the occasion.

ZONAL PG CONVENTION 2023
VMRFDU Salem

IOS ZONAL PG CONVENTION 2023, SALEM

Warm greeting from organizing committee!

The IOS ZONAL POSTGRADUATE CONVENTION 2023 was held at Vinayaka Mission's Research foundation (Deemed to be university), Salem from 8th to 10th June. The organizing committee expresses its gratitude to IOS fraternity for its support and appreciation.

The convention was graced by presence of more than 350 postgraduate delegates and 70 life members. We received registrations from 57 dental colleges across south India. Our panel of guest faculty speakers and course directors were from across India and even abroad

The scientific content was a unique mix of well-balanced topics, keenly structured to represent every aspect of orthodontics. The faculty guest lectures were presented stupendously in an impeccable manner by the invited guest speakers from National and International forums. The spectrum of speakers were meticulously chosen to exchange the academic wisdom, research insights and clinical acquaintance.

The colloquium was a visual treat to the budding post graduate orthodontists from the indigenous minds of expert orthodontists.

The lecture series "IOS Friday Rendezvous" entered the month of June with one of its kind lecture. The online webinar was on the topic – "Orthodontic Components of Esthetic Smile – Clinical Orthodontic Perspective" which was held on June 2nd, 2023. As many as 300+ virtual attendees were eagerly listening to a great topic which was well elaborated by Dr. Sergio Valverde from Peru (South America).

The inaugural ceremony was started sharp at 7 pm by Dr. Amesh Golwara where he welcomed the guest speaker, all the principal office bearers and the Executive Committee Members along with the other life members and student delegates.

The Welcome address was delivered by Dr. Balvinder Singh Thakkar (President, IOS) and it was followed by introductory remarks on the IOS Friday Rendezvous lecture series. Dr. Sanjay Labh (Honorary Secretary, IOS) delivered his welcome speech to the keynote speaker, Dr. Sergio Valverde.

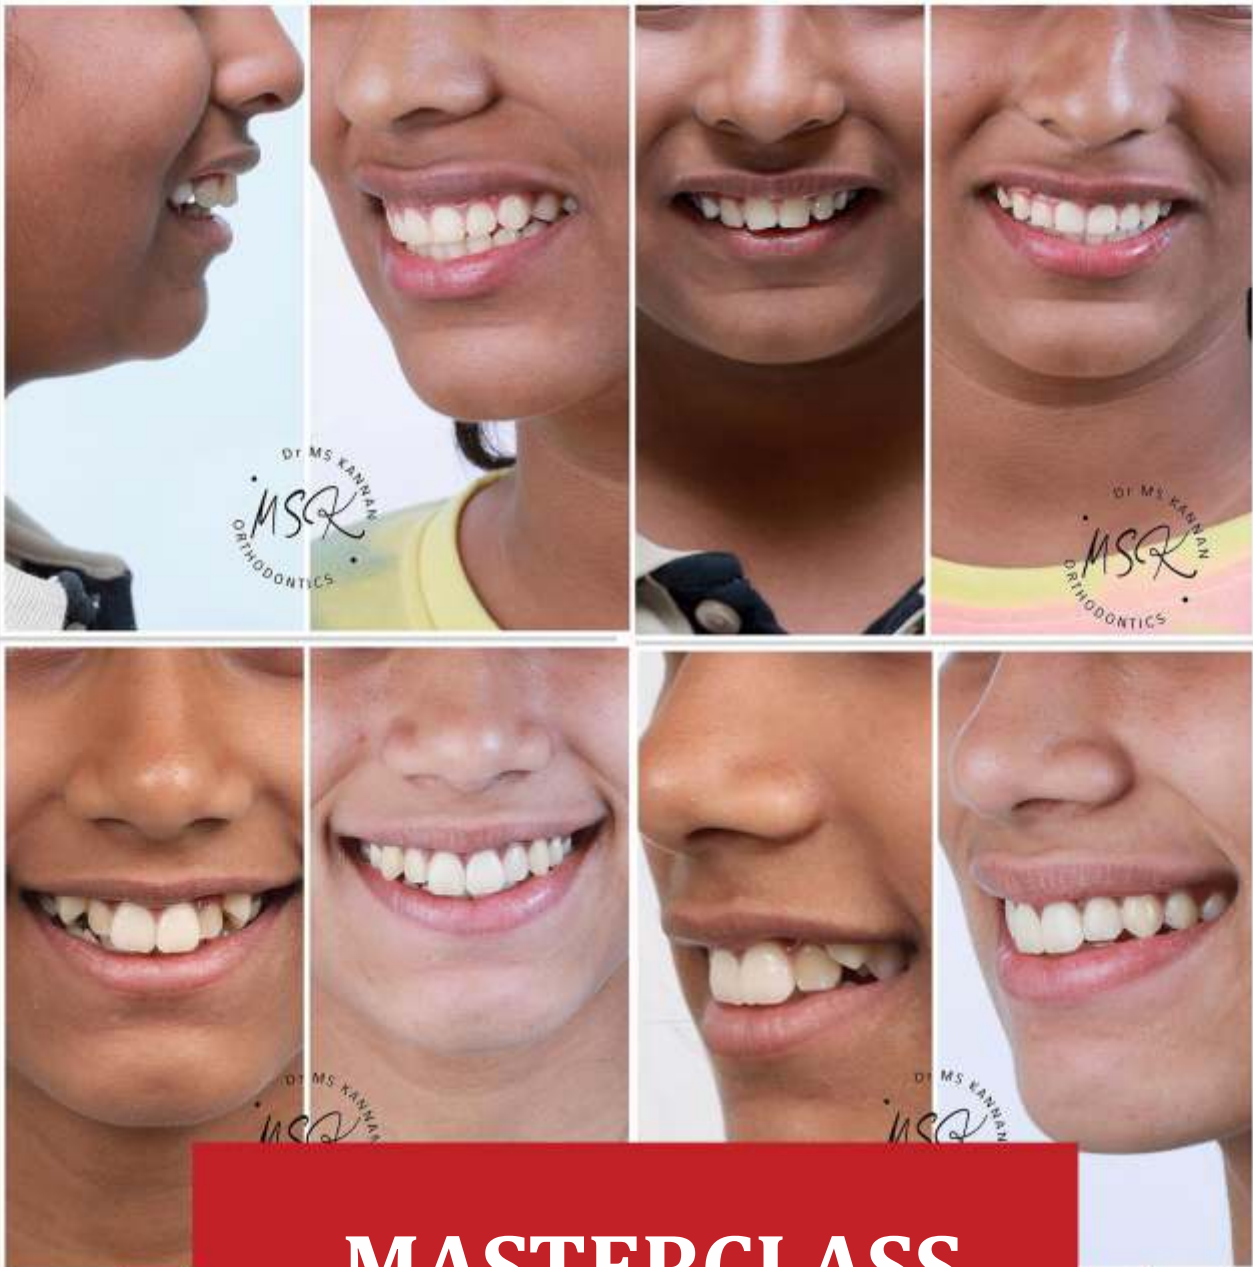

The speaker, Dr. Valverde, talked extensively about the various Orthodontic components of smile, its relevance in day to day life and also the clinical perspective of the same. He emphasized a lot on three parameters i.e. Visualization where the clinician takes out time to diagnose and also has an appropriate knowledge for the same; Quantification where the clinician plans to achieve the desired objectives and at last the implementation process where the clinician selects the best of the resources.

Towards the conclusion, a Q&A session was conducted by Dr. Ajay Kubavat and Dr. Jitendra Bhagchandani where Dr. Valverde answered all

the queries and clarified the doubts of the delegates. It was such an interactive, half an hour session where the delegates asked questions as well as had a chance to listen to the speaker's experiences towards his life and profession.

The concluding remarks along with the vote of thanks were delivered by Dr. Shailesh Shenava (Vice President, IOS). It was followed by a virtual sharing of the certificate of appreciation which was displayed on the screen by Dr. Uday Kumar and it was virtually handed over to the guest speaker by Dr. Srikrishna

MASTERCLASS

I am Glad and Deem it a Privilege to Lecture for IOS Master Class on Aligner Orthodontics on 11th June 2023. The overwhelming response with 300+ members listening for more than 2 hours on a Sunday Evening was amazing. This was an testimony for the trust they placed on the Speakers and the great Interest on the emerging Aligner subject .

As I quoted in my lecture, Aligners for correcting malocclusions is just another alternate school for treatment execution as like with fixed Appliances using brackets and wires. Ultimately it's Biomechanics which rules both and commands Orthodontics. Our knowledge of Biomechanics keeps us a Class apart from Direct to consumer Aligners and non Orthodontic professional offering Orthodontic Treatment.

It would be my pleasure to guide, help and share my knowledge on Aligner Orthodontics among my fellow Orthodontic members and Student Members. Please feel free to contact me for any guidance.

EVENT DESCRIPTION

This CDE program under the aegis of Indian Orthodontic Society aims to explore the contemporary concept in Orthodontic anchorage; ***temporary anchorage devices and skeletal anchorage system in 3-D management of malocclusion*** with special focus on extra-alveolar means of anchorage like orthobone screws and skeletal anchorage system. These new systems offer us a new avenue for the management of complex skeletal and dental malocclusion with better outcomes.

It is important to embrace the contemporary but it is equally important to thoroughly evaluate its positives/negatives, indications and limitations and the best way ahead is to listen and embark on the journey with the experienced clinicians and academicians from across the country with extensive experience on the topic. To make this event a memorable and life changing experience, we bring to you a combination of orthodontic stalwarts of the field and young experienced practitioners who will enthral and share the secrets of success with their extensive work on the topic and practical demonstrations.
