

**Preliminary application for Research Grants for the year 2024-25**

**LIFE MEMBER RESEARCH GRANT**

**PRINCIPAL APPLICANT DETAILS**

Name:

Life Membership No:

Designation:

Institutional Affiliation:

Contact Address (including email and phone numbers):

**CO-INVESTIGATOR/S DETAILS (Must be presented in the following format)**

Name:

IOS LM:

Designation:

Institutional Affiliation:

Contact Address (including email and phone numbers):

(Please include a brief CV of the principal investigator and co-investigators not more than 2 pages including a list of not more than 10 recent research (not review) articles published along with this application.)

## **General Considerations**

1. Read and understand application guidelines strictly.
2. Use basic and legible English language.
3. Make sure all acronyms are spelled out when used initially.
4. Observe the type size and word limitations; Arial 12 point font and margins 1.5” all the way around.
5. Include only those graphs, tables, etc., that are unpublished and essential to the narrative.
6. Make sure all citations are complete.
7. Make sure you work with a mentor and/or guide (for SLM ) to review the application for clarity and consistency.
8. Please provide a cover letter along with the application signed by Principal investigator and all others who are involved in the project.

## **PROJECT DESCRIPTION**

Please fill out the following sections for your proposed Indian Orthodontic Society Research Foundation (IOS-RF) project. Note that there are word limit restrictions for each section, and these limits should be strictly adhered to. The project description should be written so that readers without technical expertise can understand.

- a. Project title (limit 50 words)**
- b. Summary of research (limit 300 words) c Aims and objectives (limit 200 words)**
- d. Significance of the research and focus area (1000 words)**
- e. Current stage of the project (if already initiated the research)**
- f. Milestones and key objectives to be achieved (please outline within a three-year time period)**
- g. Possibility of obtaining patent**
- h. Academic or clinical impact on the field of Orthodontics (300 words)**
- i. Single or multiple institution projects (if multiple institution project, please list all institutions involved)**
- j. Any other relevant background information (limit 100 words)**
- k. Budget (Please provide the estimated total budget figure for your proposed project.)**

Proposed projects may be **up to three years** for life members. (unless noted under specific focus area). A detailed budget will not be required at this time but should be submitted if the project is shortlisted for final application.

All applications in PDF format must be sent by email, with subject heading IOS RF preliminary proposal to the undersigned by 5 pm on 01<sup>st</sup> February 2025.

Dr. Sanjay Labh,

Hon. Secretary, Indian Orthodontic Society, [secretary@iosweb.net](mailto:secretary@iosweb.net) and cc [iosresearchfoundationgrant@gmail.com](mailto:iosresearchfoundationgrant@gmail.com)
